

REMEMBER to ask your grocer for Calumet Baking Powder and be sure that you get it—the Indian head on the orange label. Then forget about bake day failures. For you will never have any. Calumet always produces the sweetest and most palatable foods. And now remember, you always use less than of most other brands because it possesses greater leavening strength.

Now Remember— Always Use

CALUMET BAKING POWDER

There is no waste. If a recipe calls for one egg—two cups of flour—half a cup of milk—that's all you use. You never have to re-bake.

Contains only such ingredients as have been officially approved by U. S. F. and A. authorities. Is the product of the latest, most modern and sanitary Baking Powder Factories in existence.

Gluten gives flour a good part of its food value—the element that nourishes the body. To be sure of getting it, use only pure baking powder with plain flour, (not self-rising flour).

Calumet
Columbian
Muffin
Recipe

4 cups sifted flour, 4 1/2 teaspoons Calumet Baking Powder, 1 tablespoon sugar, 1 teaspoon salt, 2 eggs, 2 cups of sweet milk. Then mix in the regular way.

GEORGES CREEK

Beecher and Chester Cyrus were calling on Cora Wooten and Cynthia Layne Sunday.

The sick of our community are improving.

Let us hear from stop and Mr. Zion again.

TWO OLD MAIDS.

Resolutions of Respect.

Fallsburg, Ky., Feb. 11, 1921.

Brother James Frasher died at his home near Fallsburg, Ky., Jan. 22, 1921 and was buried at Mt. Nebo Jan. 24, 1921 in the old home burying ground with I. O. F. honors. Bro. Frasher was a native of Lawrence county, Ky., where he had lived to the age of 40 years. He was a useful and respected citizen, a good neighbor and a true friend.

He was a member of Otterville Lodge No. 343, also a member of Blaine encampment at Fallsburg, No. 42 and was Junior Warden at the time of his death.

WHEREAS, It has pleased the supreme ruler of the universe to terminate the earthly career of our esteemed brother and bring sadness to his family and many friends we humbly bow to his divine will.

For the time had come
For God to claim his own;
Ah! sudden change from this old world
Unto the great white throne.

Therefore, Be It Resolved, That in the death of our brother the community has lost one of its most useful citizens, the lodge a devoted and attentive member whose active interest in the conduct of the lodge and in all things pertaining to the welfare of Oddfellowship will make his presence sorely missed by all.

Resolved, That as a mark of our esteem and fraternal remembrance of him, We place on record our profound sense of loss to the lodge and the personal bereavement to each one of us in this sad dispensation and yet in our sorrow we bow submissively our will to our Divine Master believing in His goodness and love, recognizing His right to do with us as seems good to him.

Resolved, That these resolutions be entered upon our Minutes and a copy be sent to the family of the deceased and published in the Big Sandy News.

There is a city that looks over the valley of death
And its glories can never be told,
There the sun never sets and the leaves never fade,
Tis the beautiful city of gold.

W. M. SAVAGE, Committee.

WAR EAGLE, W. VA.

There is much sickness in this town at present due to measles, pneumonia and mumps.

Mrs. Lewis Earnest is very ill at this writing.

Tom Layne returned from Huntington where he has been visiting relatives.

M. P. Hickman and Rev. Gilbert Miller were on our creek last week.

TWO ONLY.

BOND ISSUE IS NOT NECESSARY

GOOD ROADS PROGRAM HAS NOT FALLEN DOWN SAYS STATE ASSOCIATION.

McBYRDE GIVES FIGURES

Kentucky Compares Favorably With Other States in Record of Construction and Prospects For Ample Funds to Continue For Next Ten Years.

Louisville, Ky.—The Kentucky Good Roads Association was the first organization in the State to concentrate its efforts on the creation of a State Highway Department and the building of a State-wide system of highways. It has seen the movement for good roads in Kentucky grow from a few voices crying in the wilderness into as good a system of highway administration as is enjoyed by any of the States.

Naturally, together with all other Kentuckians, its membership has been much concerned recently by the repeated reports made to the public and the press that the whole system is "going to pet" for lack of funds and that the only thing that will save it will be an extra session of the Legislature to submit to a vote of the people a bond issue estimated at anywhere from \$25,000,000 to \$30,000,000.

Investigation made by Robert J. McByrde, President of the Good Roads Association, has disclosed the fact that not only is Kentucky not in need of a bond issue to build roads, but that it now has more money for this purpose and is building more roads and better roads than ever before in its history. If the present pace can be maintained, Kentucky's entire system of highways will be completed within the next ten years.

Actual conditions as taken from the official record are as follows:

Total State Aid Road Fund now available for road construction	\$2,100,000.00
Total Federal Road Fund now available for road construction	3,028,257.31
County appropriations made but not yet under contract	2,988,007.00
Total available road fund	\$8,126,264.31

The State Highway Department during 1920 has had under contract a total of 640.91 miles of Federal and State Aid Roads at a total cost of \$7,687,567.88. Of this mileage 347.8 have been completed.

In addition, the State Highway Department has cooperated with the counties in the maintenance of 104.31 miles of state highways built under the provisions of the former State Aid Maintenance Law.

At the beginning of the year 1921 the State Highways Department has completed surveys and plans and is ready to advertise for bids on 197.5 miles of Federal and State Aid Roads. Surveys have been made and plans partially completed for an additional 200.9 miles of such roads and surveys have been completed on another 234.5 miles.

There has been favorably reported by the Roads Committee of both the United States House of Representatives and the United States Senate a bill increasing by \$100,000,000 per year the Federal appropriation for roads. If this bill becomes a law, Kentucky's Federal Aid quota will be increased \$2,000,000 annually. The amount produced by general and special state taxes will of necessity increase each year.

Kentucky in the past year has had \$8,000,000 to spend for roads, and there is every reason to believe that within the next three years Kentucky's annual road fund will be not less than \$10,000,000.

For the first time in its history Kentucky not only has a completely equipped State Highway Department, but all of the money that is needed to administer it successfully.

PEEBLES, OHIO

School is progressing nicely at this place.

Born, to Mr. and Mrs. Gilbert Smiley, a fine boy.

The women of this community have started the old-fashioned quilting day among each other. Rumor says there is more talking and eating than quilting.

L. C. Savage had the misfortune to fall off of a load of fodder and hurt himself pretty badly. We are glad to say he is improving nicely.

Mrs. Fannie Savage had a corn snuck and quilting on ground hog day. The men got the corn all snuck, but the women did not finish the quilt. Thirty were present for dinner. All report having a good time.

Prayer meeting every Thursday night at this place.

B. W. Savage and Charles H. Savage have returned home from the coal mines in West Va., where they have been all winter.

The farmers of this neighborhood have begun plowing their corn ground. All expect to put in a big crop.

Russell Tenor of Sinking Spring, O., was the Saturday and Sunday guest of Charles W. Savage.

Sunday school every Sunday with John Brown as superintendent.

Born, to James Gorman and wife, Feb. 6, a girl.

How is the mud road in Lawrence county? AN OLD KENTUCKIAN.
