Extremes Lack of Memory. The court's conclusion from this evidence was that "We not only have in this case extreme carelessness and want of candor on the part of appellant in giving his testimony, but he exhibits a most extreme lack of memory and the innocence with which he looked upon the money in Bolling's office, without the slightest idea of the use which Mays and his representatives, Barrett, intended to make of it...

Opinion in Sheriff's Contest. In the Sheriff's contest case, the court said: "The evidence unmistakably shows the use of an enormous corruption fund for the primary and appellee to have been the beneficiary of the expenditure of that fund."

Candidates Pooled Interests. The evidence discloses that certain candidates in the primary pooled their interests in certain precincts and for workers worked for the same...
