SKAGGS

Weather is fine and everybody busy. Work in the oil field is going quite lively now.

Eva Wheeler is very sick at this writing with pneumonia. There is quite a lot of some kind of influenza in this neighborhood.

Mint Wheeler's family has been quite sick and A. E. Lyon has been suffering with the same. Marion Ward and son, Goebel, are now getting over having pneumonia.

P. P. Holbrook is having another cancer taken off of his face. Parish Sparks, our Justice of the Peace, is attending court at Louisa.

Chas. and Marion Hutchison are cleaning out an oil well on Jas. H. Holbrook's farm.

Emory Kaseze and Virginia Boggs were quietly married at the home of Lige Gartner's this week. The Rev. Hood Wallen officiating. We wish the couple peace and happiness all along life's journey.

Dr. C. B. Rice was called to Louisa last week on account of sickness of his uncle, Dr. W. A. Rice of that place.

E. P. Frost of Huntington, W. Va., was here this week looking after his interest in the oil field. He has four very good wells on his holdings.

Roads are so bad that transportation is getting almost impossible. The farmers have crowded the roads so close to the creek that when a very little rain comes it throws the creeks out in the roads and that takes all the works out so the oil companies are not to bear all the blame. Farmers should give ground for the roads and then let the county say where the road should go. I know they won't say in the creek and then let all get busy. The mails will have to stop if there isn't something done. The bucksters have had to quit hauling on account of bad roads and that has put the merchants to ordering their goods by parcel post. To force a mail carrier over such roads with such loads is a dirty shame.

It is no profit for men to meet and talk about good roads. Go to work and make them. It looks like something must be done.

BLUE BELLE.

Mrs. Mary Horton was called to Prestonsburg Saturday by the illness of Mrs. Jane Elliott of Cliff who suffered a partial stroke of paralysis. Mrs. Horton returned home Wednesday.

LONESOME GIRL.

GOOD HEALTH OF CHILDREN FROM RICH BLOOD

Health, Strength and Vigor Build Up By Gude's Pepto-Mangan.

You see one child strong on robust; another child pale and thin. One eats practically the same foods and takes the same exercise as the other. What is the difference? Nearly always it's a difference in the quality of the blood. The strong child has rich, red blood and plenty of it. You love to see him eat so heartily. If your child is thin and weak give him Gude's Pepto-Mangan to build up the blood and see the difference between a sickly, unhappy childhood and a bouncing, healthy childhood.

Get Gude's Pepto-Mangan at your druggist in liquid or tablet form. Be sure it's the genuine. Advertisement.

High Quality Flour, Feed SEEDS

Before buying your spring needs in Seed Oats, Grass and Clover Seeds, Barbed Wire, Wire Nails, Poultry Wire, Cattle and Hog woven-wire Fencing, Galvanized and Rubberoid Roofing, Crockery, Furniture, Carpets, Flour, Meal and Feeds of various kinds, it will pay you to see

FLANERY & THOMPSON, Webbville, Ky.

They are buying all this stuff in quantities, whereby they make sufficient saving both in freight rates and the difference in buying in car lot shipments and local shipments to enable them to at least give you your needs in this line of stuff at the same price or even for less money than you can buy the same goods in small quantities elsewhere—and pay the enormously high rate of freight.

Besides, you get your stuff in a nice, clean condition with no claims to be filed for damaged goods, and you will also be treated just as nicely as anybody else will treat you.

Under the above heading, they especially cater to all business in easy reach of Webbville.
