Notice.

By virtue of a decree of foreclosure made and entered at full term, 1898, of the superior court for Cherokee county, N. C., made in pursuance to certificate from the Supreme court of North Carolina, affirming the judgment rendered at full term, 1898, of the superior court of said county in the case entitled J. S. Meroney, jr., vs. The Atlanta National Building and Loan Association, I will offer for sale to the highest bidder for cash at the court house in Cherokee county, on Monday, the 6th day of July, 1898, at public outcry, the following real estate, to-wit: The house and lot where said J. S. Meroney, jr., now lives, being part of tract No. 2 in district No. 1 of Cherokee county, adjoining the old town common line, now situated within the corporate limits of the town, adjoining the property of W. A. Owenby and G. M. Blumenthal, described as follows: Beginning at a stake in Blumenthal avenue and W. A. Owenby's corner and running with said Owenby's line south 1 deg. 34 min. east 147 feet; thence north 81 deg. west 60 feet with an alley; thence with Blumenthal's line north 1 deg. 20 min. east 136 feet to a stake in Blumenthal avenue thence with said avenue south 82 deg. east of feet to the beginning. Said sale will be made to satisfy a judgment for \$27.68, with interest at 8 per cent. from March 1, 1891, together with costs of sale and to foreclose a deed of trust executed by said J. S. Meroney, jr., and wife, Della Meroney, to said Atlanta National Building and Loan Association, dated September 11, 1890, and recorded in the office of the register of deeds for Cherokee county in book Y of deeds on pages 521 &c. This June 1, 1898.

NOBBY TURNOUTS

Charley Hickman was arrested in Sheal Creek Township for assault with deadly weapons and other charges Saturday. He was brought to town and put in jail Sunday by deputies Hugh Sneed and Quince Davidson.

Bryson & Co., of Andrews, who are running a hotel and livery business, have an attractive advertisement on the first page. They keep a first-class house and the very best turn outs to be had, all at rock bottom prices.

Whooping cough is prevalent in Murphy and Cherokee county. The infant of Hulda Johnson was buried here last week, its death caused by this disease. It seems to be raging more in the county than in town. It is to be hoped that no more deaths will follow as the result of the ravages of this terrible enemy of children.

Here is a preventive against whooping cough, simple but said to be efficacious: Take a small piece of asafoetida, about the size of the end of your thumb, a pinch of sulphur and sew them up in a bag, which thoroughly saturate with turpentine. Tie it around the child's neck. Renew the turpentine every few days. This remedy is at least worth a trial.

Mr. Henry Coatney, who is working on the court house, of Atlanta, received a telegram last Wednesday from his wife, who was visiting at Knoxville, that their little child was dead. It was a crushing blow to the fond father, for he did not know that his baby was even sick. Its death was sudden, but we did not learn the cause. Mr. Coatney left the same morning for Knoxville.

A. B. Garpett, who is here with Mrs. Hitebock and her daughter, Mrs. Coit, from California, doesn't want professor stuck to his name, and still he has made some valuable discoveries in mineral on this estate. Mrs. Hitebock has concluded to put this large and valuable property on the market, and we can say from our own personal knowledge that here is a chance for money to double itself by investment.

About That Jail Delivery. On last Tuesday morning, when Sheriff Davidson went to feed his prisoners, three of them were missing, and an investigation revealed the fact that they had escaped by putting through a window.

The prisoners were C. C. Mull, whose time would have been out in a week, Charles Nichols and a little boy named Richard Picklesimer, all United States prisoners, and charged with handling whiskey. These prisoners, together with Jack Smith and Toby Warlick, who made no attempt to escape, were left over night in the corridor that runs around the steel cages. Nichols, who was sick, was ordered the run of the corridor by Dr. J. F. Abernathy, the county physician, and the others were turned out into the corridor to get fresh air and take some exercise, simply because our efficient sheriff is a humane officer and because the prisoners were serving short sentences and their crimes but minor ones.

It is true we have a \$9,000 jail, and a good one it is, too, for when you shut a man up in one of those cells he is likely to remain there for. No mistake about that. Davidson admitted.

Already Engaged. Rev. T. Bright, pastor of the Baptist church, is in receipt of the following letter, which explains itself: CARRERSVILLE, GA., June 16.—In reply to yours of June 1, which has been among a lot of unanswered mail during my absence from home, my time is all engaged for months ahead. I wish I could help you at Murphy. It is not a question of money that keeps me away from there. With best wishes and kindest regards, I am,

Yours faithfully,
SAM P. JONES.

Died of His Injuries. The remains of J. H. Bass passed down yesterday enroute to Marietta, Bass was a brakeman of the Marietta and North Georgia road, and while switching cars at Alleghany was run over and injured to such an extent that he died at 1 o'clock Friday morning.—Blue Ridge Record.

It will be remembered that Mr. Bass visited Murphy a short time ago and spent several days with the guest of his friend, Mr. R. L. King. He made many friends who will regret to hear of his tragic death.

Special Train. A special train will leave Murphy at 3 o'clock on the morning of the 4th of July to make connection with the excursion train, which leaves here at 5 o'clock, provided as many as twenty-five tickets are sold. We learn that money for part of the tickets has already been put up.—Blue Ridge Record.

Mr. E. C. Barnes, of Knoxville, who is working up the excursion, was here again last week, and assured us that Knoxville was making preparations for a big time and that those who attended would never regret it. Fare for round trip only \$3.00. This is a good opportunity for merchants to visit Knoxville.

Here's to You, Major. Judge A. A. Wadsworth and wife, of Mayaville, Ky., have been here a week or more. Mrs. Wadsworth is a daughter of Major T. M. Cox, who has been exploring and prospecting in this mountain region for mineral for about twenty years.

It seems that Major Cox was in independent circumstances and stood high as a lawyer and in business circles had a fine reputation, but having conceived the idea that an immense fortune awaited him in this rich mineral belt, which embraces a portion of three States—Georgia, Tennessee and Western North Carolina—and with this pet idea and plenty of pluck to back it, he has plodded over hill and valley for a decade, and we hope, as he has come into possession of quite a fortune from relations together with the enhancement of his own real estate in Kentucky, that he is now in a fair way to realize his fondest hopes.

Mothers will find Chamberlain's Cough Remedy especially valuable for croup and whooping cough. It will give prompt relief and is safe and pleasant. We have sold it for several years and it has never failed to give the most perfect satisfaction. G. W. Richards, Duquesne, Pa. Sold by M. C. King & Son, Druggists.
