Miss Ethel Gregory, of Lancaster, who is visiting at Mr. R. L. Blackmon's, met with a painful accident on Tuesday night last. While enjoying a display of fireworks near Mr. Blackmon's home she was struck in the eye by a ball from a Roman candle and her eye was very seriously injured. Miss Mabel Hough was also painfully burned by the same means.

Through the thoughtfulness of Mayor E. D. Blakeney, who carried a subscription list to them, the patrons of the Kershaw Telephone system presented Miss Nannie Gay, the very accommodating and efficient operator, with a fitting expression of appreciation of her service—a handsome purse containing \$35 in gold.

Mr. Leonard Outen and Miss Mary Knight were married Sunday night, Dec. 30th, by Dr. L. T. Gregory, Notary Public. The same official also united in marriage Mr. Lawrence Richardson and Miss Mollie Baker, December 23rd.

Mr. and Mrs. G. A. New and their two youngest children, of Dougherty, Indian Territory, are visiting relatives in this section. Mr. New and his family moved from the Flat Creek section about ten years ago.

Mr. and Mrs. U. W. Neal and Mr. Hunter Horton, of Sumter county, are visiting relatives, Mr. and Mrs. W. S. Horton, near Kershaw.

Mr. and Mrs. I. Myers and Mr. and Mrs. L. Jacobson and little son, of Lancaster, spent several days last week with Mr. and Mrs. L. Hirsch.

Mr. Harry Rollings left last Tuesday for Nashville, Tenn., to take a business course. Harry is a fine boy and we wish him much success.

Messrs Vernie Cook, Copeland Massey and Herbert Vaughan, students at University of South Carolina, are at home for the Christmas holidays.

Rev. O. A. Jeffcoat is spending a week with his family at Sharon. They will return to Kershaw next Friday.

Bad Symptoms.

The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pelvic catarrh, is suffering from weaknesses and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.

Neglected or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally.

No medicine extant has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong professional indorsement of each of its several ingredients—worth more than any number of ordinary non-professional testimonials. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (1000 pages) is sent free on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy. Address as above.

Mr. Melvin Truesdel, of Rock Hill, is visiting his parents, Mr. and Mrs. L. E. Truesdel.

Mr. and Mrs. S. N. Miller, of Concord, N. C., are visiting the latter's parents, Mr. and Mrs. W. L. Croxton.

Misses Katie and Carrie Davis, of Antioch section, are visiting their uncle, Mr. C. E. Davis.

Miss Mayme Croxton, of Hartsville, is visiting her parents, Mr. and Mrs. W. L. Croxton.

Mrs. C. N. Houser, of Atlanta, is visiting her parents, Mr. and Mrs. B. A. Hilton.

The Kershaw postoffice will become an international money order office from this date.

Nearly every person who is subject to attacks from the stomach suffers from a morbid dread of a dietetic treatment for relief, that is three-fourths starvation, and one-fourth toast and milk. On the other hand you can eat as you please and digest the food by the aid of a good digestant, thus giving the tired stomach equally as much rest. Eat what you please and take a little Kodol For Indigestion after your meals. It digests what you eat. Sold by Crawford Bros.

Georgia Bucket Shops To Go.

Atlanta, Ga., Dec. 30.—The Boykin anti-bucket shop law which goes into operation January 1 has caused nearly every wire exchange in the State of Georgia to close out business. At present there remains in Atlanta four wire houses, two of which close with tomorrow's business day. Hubbard Bros, and E. and C. Randolph have continued the business up to the last hour. It is reported that the Southern Cotton Exchange and L. J. Anderson & Co will remain and test the constitutionality of the law.

Cured of Lung Trouble.

"It is now eleven years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kershaw, S. C. "I had run down in weight to 135 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 170 pounds." Thousands of persons are healed every year. Guaranteed at Crawford Bros., Funderburk Pharmacy drug store 50c and 1.00. Trial bottle free.
