It is hoped that as many parents and teachers as possible will join with those who have started this important work.

FROM REV. E. A. THOMPSON.

Holds Successful Meeting in Florida and Texas.

After two very successful meetings in South Florida, where we had quite a good number of additions in the three leading churches of the towns in which we held our meetings, we are again in the great state of Texas, and began our other meetings last night with the Central Avenue Baptist church.

We found the state of Florida in a very spiritual condition. Everybody seem very optimistic, and no one seem discouraged on account of the destructive war.

We anticipate going to our field of labor in New Mexico after the 15th of this month, from which place we will write The News from time to time.

E. A. THOMPSON, Fort Worth, Tex., Oct. 2, 1915.
