

Local Department.

WANTED.—A blacksmith at R. B. Hartman's foundry.

Borough election on the 18th Feb.—about a month hence.

Pennsylvania has more post offices than any state in the Union.

The next legal holiday—Washington's birthday, Feb. 22.

—The celebrated Canadian weather prophet, Venner, predicts an early spring. Get your garden seeds ready.

—The job work done in the Journal Office will compare well with any work done elsewhere and the prices are remarkably low. Give us a call.

—WANTED IMMEDIATELY, about ten to fifteen bushels potatoes and about five to eight bushels of apples. If it suits you to pay off your subscription in that way bring them along at once.

—The Forks House, one of the best hotel stands in this section of the country, situate at Coburn Station on the Lewisburg & Tyrone rail road, is for sale. For particulars apply to G. W. STOVER.

—Mr. E. Jonathan Deininger, of Reading, Pa., has much encouraged and made happy the hearts of the St. John's Lutheran congregation of Millheim by a cash subscription of \$200.

The Scientific American, gives a recipe for curing burns that has been tried and found to work like a charm. It consists in rubbing the burn with ordinary cooking soda. It removes all pain and traces of the injury.

—Next week our musical friend, Prof. J. H. Feehrer will come to town again, to stay a week and take the wind out of the band boys. Glad to have you come, Joe and expect of course, a call.

ASSIGNEE'S SALE ADJOURNED.—The sale of the property of George Fiedler, near Stoyer's Place, in Miles township, has been adjourned to Friday, Jan. 28th inst., at 1 o'clock, P. M. J. H. REIFSNYDER, Assignee.

—It is said that Mrs. Catharine Miller, who is to be hung at Williamsport for the murder of her husband, has almost entirely lost her reason. Her case, with that of George Smith, who assisted her in the crime, is to be heard by the Board of Pardons on the 18th inst.

—Do not buy cheap medicines on the score of economy. The best are none too good for the sick, and are the cheapest. Such are the Cherry Pectoral, Sarsaparilla, and other standard remedies of Dr. J. C. Ayer & Co. They are worth all they cost, and should be in every house.

NOTICE.

Wishing to close all my book accounts, I have determined to sell for cash or produce only from and after March 1st, 1881.

I will give my customers the full advantage of a strictly

CASH SYSTEM.

SAMUEL GREENINGER.

We have received a bound volume containing eleven copies of Ayer's Almanac for 1881, in almost as many different languages. This is just one millionth part of the edition, which, notwithstanding the increased cost of production, the enterprising publishers have issued this year for free distribution in all parts of the world. The polyglot collection is well worth preserving. Dr. Ayer always treats the subjects of health and disease in a serious and dignified manner, and affords his readers a large amount of valuable information. His Cherry Pectoral and other popular remedies are considered standard preparations, as different as possible from the quack nostrums the names of which disgrace national scenery all over the country.

"MUSIC HATH CHARMS."—The Musical Instrument Store of C. H. Hassenplug, Lewisburg, Pa., will henceforth be carried on by Hassenplug & Thomas. They have on hand a large variety of Pianos, Organs, Organettes, and other musical instruments of all standard makes, which they sell at very low prices. They are gentlemen of high character and integrity and have large experience in the business. Mr. Thomas, who is well and favorably known in these parts, expects to make a thorough canvass of this part of Centre county, selling instruments, and we hope he may meet with abundant success.

A COMPLETE ESTABLISHMENT.—Last week we were shown through the EXCELSIOR DYE WORKS, at Lewisburg, by the obliging proprietor, Wm. A. Davis, Esq. The concern seems to be entirely complete in all its arrangements, and Mr. Davis himself is an expert in the business. He has had many years of experience in this country, England, Germany and Russia. He showed us a number of shawls and gentlemen's suits which had been dyed and pressed, making them appear like new, at a small cost.

We have agreed to act as agent for Mr. Davis in this section and will attend to all work entrusted to us. Read his advertisement in another column and for particulars call at the JOURNAL STORE.

A CARD. To our Friends and Patrons in Centre county.

Owing to a large increase in our business we have concluded to remove to larger and better premises,

April 1st '81. We are going to the place formerly occupied by Brooke's Confectionery, directly opposite Walls & Co's store, where we will have enlarged facilities to serve our customers.

The Millinery Department will be under the direct supervision of Mrs. B. Harris, who has already engaged the services of several experienced city milliners.

The Notions, Trimmings & Fancy Goods Department will be under the immediate charge of Mr. M. Harris, who will always endeavor to serve the interests of patrons, giving the best goods for the least money possible. Most Respectfully Yours, B. HARRIS.

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long laborious and successful chemical investigation, and their extensive use by physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative pill that medical science can devise. Being purely vegetable in their nature, they are especially adapted to the needs of children and the weak, and are perfectly safe in their use. FOR SALE BY ALL DEALERS.

—Our young friend, C. A. Sturgis, is in Boalsburg at the musical convention this week, assisting the director, P. H. Moyer with the violin. Charley is certainly a first-class violinist and we don't feel a bit jealous about his promotion to a professorship, but to the contrary congratulate him. That's so, profly.

News Miscellany.

The revenue books show that during the year 1880 \$3,561,500 were received for revenue stamps from the match manufacturers of the United States. This would make the number of matches consumed 85,618,000,000, or about 700 matches per year to every man, woman, and child in the Union.

The first turnpike ever made in the United States was that constructed between Philadelphia and Lancaster in 1793, costing \$500,000.

A dead pauper's coat, at Fort Scott, Kansas, was found to be lined with \$500 in good money, which goes to the State, no heir appearing.

There have been no licenses issued in Potter county for the sale of liquor since 1852. As a result the courts have very few criminal cases and the poor tax amounts to very little.

In Ohio the Grangers have become the advocates of temperance, and will appeal to the legislature of that State for the passage of a local option law. This is a new addition to the temperance forces, and will become a power hard to resist.

There are 1,500 watches made every month at the Lancaster watch factory.

Hughesville, Lycoming Co., wants a bank, a coal yard, a place of amusement and a Young Men's Christian Association. There has been a beer saloon, a blacksmith shop, two old bachelors, four old maids and two dogs to every family.

In this state there are eighty-seven daily newspapers, six hundred and eleven weekly and one hundred and thirty-seven others, making a total of eight hundred and thirty-five.

A Murderer Lynched.

SAN FRANCISCO, January 18.—Joseph Darroche, who shot and killed Thomas H. Trellvar, a few days ago, on account of a ludicrously concerning Trellvar's wife, was captured six miles from Bodie on Sunday. His guilt was established at a preliminary hearing, and about one o'clock yesterday morning he was taken from jail to the scene of his crime and hanged in the presence of five hundred men.

"A Blizzard," says a Dakota man, "is the North-western name for a gale of wind filled with snow and icy particles, as fine as rice powder, with a temperature ten to twenty degrees below zero. A genuine blizzard is so fierce that you can neither face it nor distinguish objects ten feet away from it. In Dakota and Minnesota, during the prevalence of a blizzard, farmers only venture out of their houses with guiding ropes around their persons to enable them to find their way back."

The new penitentiary now building at Huntingdon is a mammoth affair. It was commenced in the spring of '79; and after two years work the outside foundation wall is just completed. It covers an area of ten acres. The wall is seventeen feet deep, mostly below the surface, and twelve feet in thickness, tapering to seven feet above ground, all laid in cement. On this stone foundation the building will be started, also of stone, and square at a height of thirty-two feet. Eight years more will be required to complete the work.

SNATCHED FROM THE BRINK OF THE GRAVE.

WILLIAMSPORT, Pa., January 15.—Lafayette Kockwood, a well-known farmer of Shippen township, Cameron county, came here to attend court as a witness. Last night he retired at the Hepburn House about midnight and not appearing when his name was called the Court sent for him about 11 o'clock. On search being made he was found in his room in a dying condition from apoplexy, having failed to turn off the gas. Three doctors worked with him all the afternoon and by the liberal use of the galvanic battery succeeded in restoring him to consciousness and this evening pronounce him out of danger. His recovery is considered remarkable.
