QAKER
Is the Best TABLE SAUCE.
Thousands of articles are now manufactured that in former years had to be imported, paying high import duty as it is now being done in Lehigh Valley (table sauce) the QAKER TABLE SAUCE takes its place; it has been pronounced by competent judges just as good and even better. The QAKER SAUCE has slowly but surely gained great importance and is replacing the very best imported sauce on the shelves of the grocer, the value of the restaurant and the table of the rich and poor men, greatly prized and relished by all on account of its purity, aroma, taste, strength and purity. The inventor has by years of study of the secret virtues contained in the aromatic species of the Ladies and China, such as mace, nutmeg, cinnamon, genuine Jamaican ginger, and peppers and buds of trees unknown to most men, and by long practice succeeded in combining their extracts in such a liquid form as we now find it, of agreeable taste, and so invigorating as to be taken in place of stomachic bitters. By manufacturing this sauce here, heavy import duties and freights are saved, and it is sold at a lower figure to the dealer, who making a better profit on Quaker Sauce can sell it to the consumer cheaper than the very best imported article, hardly equaling ours in quality. If your grocer does not keep it, write us for prices, etc. Sold in bottles or by the gallon. CHARM MANUFACTURING CO., Sole Proprietors and Manufacturers, 106 & 108 N. 2d St., Lehigh, Pa.
