

THE DEMAND FOR GAME.

People Eating More Every Season - A Dealer's Chat About Prices.

"Bear meat is not very salable in Philadelphia," said an old hunter and game dealer yesterday. "We sell some to the Germans, but the average game eater does not seem to fancy it although I consider bearsteak one of the best of game foods. We get our bears from the mountains of Pennsylvania; some few come from Virginia and New York. The weather is not cold enough for venison, and the saddle we receive are 'slick.' Prime saddles bring 150 cents a pound. Just now there is considerable demand for Pennsylvania pheasant at \$1.50 and \$2 a pair.

"The Eastern pheasants, which come to this market drawn and are used principally by the hotels and restaurants, are quoted at sixty five and seventy cents. A sudden cold snap will increase the demand for game and bring us antelope, buffalo and black and white-tailed deer from the Western plains. Antelope venison is very sweet and juicy and is being eaten more every year by epicures. Grouse are excellent food birds and we sell a great many at prices which vary from \$1.50 to \$2. Quail are not yet in prime condition and sell at \$2 to \$4.50 a dozen. Woodcock sell readily at \$7 to \$8 a dozen and there is a steady demand for them. There are occasional calls for snipe, pin tail grouse and plover. People are beginning to eat game more and more every year, and there is every indication that this season will be a prosperous one, both for the hunters and dealers."

ADVICE TO MOTHERS. Are you disturbed at night and broken by your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Sorely Weaned CHILDREN'S TEething Tablets. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures colic, diarrhea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Sorely Weaned CHILDREN'S TEething Tablets is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

Houses in the National Capital.

It is easy to obtain a home in Washington, because most of the real estate agents will take a small cash payment and arrange the remainder of the debt at a low rate of interest—in some cases as low as five per cent. Certain lot holders have a very great advantage. Scattered throughout Washington there is a very large number of little plots of ground which belong to the public reservations. These bits of parking are given up rent free to the lot owners, who build up close to them. They have the practical use of them for nothing. They can fence them in, ornament them as they please, and enjoy everything about them except building on them. In many instances these little public strips are the only yards that certain house-owners have.—New York World.

Surface Indications

What a misnomer would very properly term "surface indications" of what is beneath, are the Pimples, Sties, Sore Eyes, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effete matter accumulated during the winter months, now makes its presence felt, through Nature's endeavors to expel it from the system. While it remains, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, with a feeling of enervation, languor, and weariness—often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw off the corrupt atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medicine; and nothing else is so effective as

Ayer's Sarsaparilla,

which is sufficiently powerful to expel from the system even the taint of Hereditary Scrofula. The medical profession endorse AYER'S SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, ex-State Senator of Massachusetts, and ex-governor of Lowell, "the only preparation that does real, lasting good."
