M. Wolf informs us by letter that having been urged by many friends to be a candidate for county superintendent of public schools, he has finally concluded to announce himself as such. —The news coming from the North Carolina copper mines, operated by W. Baker and Mr. Kauffman, Sr., the father of our townsman, D. S. Kauffman, are very encouraging. The mines are panning out very rich. Capitalists from Philadelphia, Harrisburg and from the state of Ohio, are purchasing mineral tracts. Among these is J. R. Kauffman from Asherton, Pa. In six months all the available lands will be bought. But as yet there is still room to make fortunes. It is an established fact that some of the richest ore in the world is mined at these mines and the sooner the men who wish to invest in the plant go there the quicker their capital will double itself.

—MUST GO. The horrible nauseous worm-seed compounds called vermicifuge and worm syrups, many of them as worthless as they are obnoxious, have had their day. It's downright cruelty to expose a child to let them, when McDonald's Celebrated Worm Powders, so easy and pleasant to take that children will take them and never know a medicine is being administered, can be procured for the small sum of twenty-five cents. Any case of failure to expel worms exists, when McDonald's Celebrated Worm Powders, promptly refunded. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents, Sold by J. Eisenhuth, Millheim, Pa.

—John Hoy, Sr., of Madisonburg, of whose death we made mention in our last issue, was a prominent and widely-known citizen of Miles township and having come into possession of some points about his history we feel like giving our readers the benefit of the information. Mr. Hoy was born in Berks county in 1791, and shortly afterwards his father moved to Centre county and settled in Penns valley, near Millheim, on the farm now owned by George Stover. Several years after that the family moved to Brush valley on the farm where John Hoy breathed his last. When quite young he was married to Margaret Hoy, to whom he had 15 children. She died in 1853 and he remained a widower for 11 years. In 1864 he was united in marriage to Rebecca Smeltzer. He then occupied a lot adjoining the farm where he had spent his earlier days. He was supposed to be quite wealthy and years ago one night a gang of burglars attacked him in his house, bound and gagged him, and threw sand and pepper into his eyes. A short time afterwards the attempt was repeated but the robbers did not succeed in getting anything. Mr. Hoy was a robust and healthy man, did all his own work and only a year ago he cut 15 sheaves of wheat with the sickle in one day. He was said to have been the strongest man in Brush valley in his day. Last summer his health began to fail and he concluded to quit housekeeping and go back to the old homestead to spend the rest of his days there. Of his fifteen children only one remains living, Mrs. Benj. Roush. He had five grand children and eleven great grand children. His age at the time of his death was 92 years, 3 months and 4 days.

—Just So. The wise and prudent man now procures a bottle of Dr. Kessler's Celebrated English Cough Medicine and keeps it in the house to be prepared for croup and whooping-cough emergencies. It never fails. It never disappoints. Instructions for treatment of croup and whooping-cough on each wrapper. Nothing like it for colds and all lung troubles. Dissatisfied buyers can have their money refunded. JOHNSTON, HOLLOWAY & CO., Philadelphia Agents, Sold by J. Eisenhuth, Millheim, Pa.

SMITH TOWN.

In this kind of weather Mud Town would be a proper name. The convention is over and everybody seems satisfied. Among our sick are Mrs. Geo. Royer, one of her children, and Mrs. Emma Kimpert. Miss Aggie Ulrich, who had been working at Al. Keen's, went home to attend her sick grandmother, Mrs. Stover, in Millheim. Rev. Saengerle was hereabouts last week making pastoral calls. Charles Horner, the young man whose premature death was recorded last week, will be remembered by the Smith Town people, in whose midst he spent last summer, as the jolly musician who produced such fine music on the mouth organ. In the bloom of life he was snatched away to eternity. Jacob Keen, of Millheim, sold the lumberland on his farm near this place to some New York party and it is fast being cut out. There are some gigantic trees on the tract. Twelve horses were hitched to a log last week but it was too heavy and could not be moved. R. D. Foreman, of the Pike school gives the following report for the third month ending Jan. 24th: No. of pupils on roll, males 23, females 16, total 39; average attendance, males 20, females 10, total 30; per cent. of attendance, males 89, females 77. MADISONBURG.

The protracted meeting in the Evangelical church is still in progress. Rev. Stambach preached on Saturday evening and Rev. Swengle of Millheim on Sunday. Rev. Basom is holding quarterly meeting at Spring Mills. The Reformed members will hold a series of missionary meetings on Tuesday and Wednesday. David Burd expects to move on his own farm in the spring. Harvey Hauck will move on his father's farm two miles west of town. Charles Raehau will move on Kline's farm, four miles west of town, now occupied by David Burd. That show from Millheim—I hardly know what to say about it. Their conduct while on street parade was exceedingly funny (?) to say the least. By all appearances it was to be a minstrel show, but the free pitch in at the pump and afterwards on the outside stairway of the hall made us doubtful what name to give to the troupe. We were not present at the performance proper and could not learn from those that were there what it was like. Miss Alice Nestlerod has returned from her visit to Lock Haven. David Shafer purchased the Houtz property at the upper end of town for \$400.

Salt Rheum. The agonies of those who suffer from severe salt rheum are indescribable. The cleansing, healing, purifying influences of Hood's Sarsaparilla are unequalled by any other medicine. I take pleasure in recommending Hood's Sarsaparilla, for it has done wonders for me. I had salt rheum very severely, affecting me nearly my entire body. Only those who have suffered from this disease in its worst form can imagine the extent of my affliction. I tried many medicines, but failed to receive benefit until I took Hood's Sarsaparilla. Then the disease began to subside, the pain disappeared, and now I am entirely free from the disease. My blood seems to be thoroughly purified, and my general health is greatly benefited. LYMAN ALLEN, Sexton N. E. Church, North Chicago, Ill. My son had salt rheum on his hands and the edges of his legs, so bad that they would crack open and bleed. He took Hood's Sarsaparilla and is entirely cured." J. B. STANTON, Mt. Vernon, Ohio.

Agonizing Itch and Pain. I was seriously troubled with salt rheum for three years, and receiving no benefit from medical treatment I decided to try Hood's Sarsaparilla. I am now entirely cured of salt rheum; my weight has increased from 108 lbs. to 132." MRS. ALICE SMITH, Stamford, Conn. If you suffer from salt rheum, or any blood disease, try Hood's Sarsaparilla. It has cured many others, and will cure you.
