(Correspondence of the American Republican.)

WASHINGTON, Jan. 11, 1845.

The Senate was not in session to-day.

In the House, on motion of Mr. Cave Johnson, the rules were suspended for one hour, for the purpose of enabling the various committees to make reports.

Mr. Vance, from the committee of Claims, made several adverse reports.

Mr. Holmes, from the committee on Commerce, reported a bill to allow the S. Carolina Railroad Co. to import, duty free, about one million of iron pipes, and other machinery, to test the practicability of atmospheric Railroad locomotion.

Mr. H. was desirous that the bill might pass at once, in order that an experiment might be made without delay, which would, if successful, benefit the whole Union. The bill, however, was referred to the committee of the Whole.

Mr. Grinnell, of the Post-office committee, reported a joint resolution authorizing the Post Master General to contract with certain Railroad companies for the transportation of the mail without advertising proposals therefor.—This joint resolution was passed.

Mr. Hopkins, from the same committee, asked to be discharged from the further consideration of the memorial of Mr. Pennington, asking an appropriation to try his Flying Machine.

Mr. Clench, from the Military committee, reported a bill to commence a fortification at the mouth of Genesee river, on Lake Ontario. Also a bill making appropriation for certain defensive works.

Mr. Parmenter, from the Naval committee, reported a joint resolution defining the relative rank of certain officers, pursers, surgeons, &c. of the U. S. Navy. The bill empowers the President and Secretary of the Navy to assign assimilated rank to non-combatant officers.—This joint resolution was passed.

A resolution was reported to allow Mr. Goggin, of Virginia, his pay whilst contesting Mr. Gilmer's seat at the last session. The resolution gave rise to some debate, and before it was disposed of the time, during which the rules had been suspended, expired.

The House then went into committee of the whole on the Texas question. Mr. Kennedy, of Md., being entitled to the floor, rose and made an able speech in opposition to annexation. He was followed by Mr. Morse, of La., who spoke on the other side. He spoke an hour, when Mr. Tibbals, of Ky., got the floor, and the committee rose.

After the transaction of some further unimportant business, the House adjourned.

ITEMS OF NEWS. A man named Browder hung himself at Petersburg, Va., a few days since.—A son of Mr. J. B. Duval, at Charleston, S. C., was run over by a cart and killed on Tuesday last.—R. W. Middleton, editor of the Pittsburgh Spirit of the Age, has been found guilty of a libel on Dr. Tappan, son of Senator Tappan, of Ohio.—Neal Gallagher, tried at Pittsburg for murder, has been acquitted.—The population of Iowa has increased 38,808 within the last three years.—John Emerson, a native of Trenton, N. Benj. Rush Montgomery, of Hamilton County, is announced as a candidate for Governor of Tennessee.—An Eagle measuring over seven feet between the tips of his wings, was caught in Orange County, N. Y., a few days ago, by means of a fox trap. A pound of beef makes only one mouthful for him.—Key West is rapidly improving. It has been recently incorporated under the name of the "City of Key West," and it has now a Mayor and Board of Aldermen.

COURT OF APPEALS, W. SHORE.

ANNAPOLIS, (Md.) Jan. 10, 1845.

No. 23. D. Redenour and others vs. Thomas Keller, appeal from the Equity side of Washington County Court, was further argued by Weisel for the appellants, and by Roman and R. Johnson for the appellees and concluded by McMahon for the appellant.

CASE OF THE REV. MR. PIERPONT. The case of Rev. Mr. Pierpont against the Hollis street Society, for four or five years' salary, which has been for a long time in the Supreme Court, was on Tuesday evening brought to a close, and decided in favor of Mr. Pierpont.

ANTI-RENTISM IN RENSSAELER AND COLUMBIA. The Albany Argus says the Anti-rent feeling in Rensselaer county is far from being quieted. Handbills, headed "Down with the rent," have been extensively circulated, calling a meeting at DeForestville, in Greenbush, on the 11th instant, by order of the Executive Committee.

SHIPWRECKS AND LOSS OF LIFE.

The whole ship Harvest, Capt. Coffin sailed from Nantucket on the 17th of October last, and during a tremendous gale on the 15th of November, being then in lat. 30, 40 N. lon. 32, 14 W. she shipped an enormous sea, which traversed her deck from stem to stern, carrying away her mizen mast and every thing movable on deck, and worse than all, sweeping nine of her crew into eternity.

On the 2d inst. lat. 41 lon. 59, the bark Griffin, Capt. Kelly, at Boston, from Palermo, fell in with the wreck of the Br. brig Dove, and 5 days from Liverpool, N. S. for Dominica, had been capsized in a gale on Dec. 25—took off Capt. Parker, Mr. Miller, 1st mate, and Ed. Ludlow one of the crew—two of the crew perished in the cabin and one was washed off deck—the survivors have been nine days on the wreck with nothing but raw potatoes to subsist on.

PAYMENTS OF STATE TAXES. We learn from a report made to the House of Delegates on Thursday last, by the State Treasurer, that the payments made at the Treasury from 1st December 1844 to 8th January, 1845, were as follows: Allegany county, \$2,558.25; Anne Arundel county, 4,882.99; Howard district, 1,654.61; Baltimore county, 1,671.91; city of Baltimore, 38,682.23; Carroll county, 3,211.48; Cecil county, 1,902.41; Charles county, 743.86; Dorchester county, 516.00; Frederick county, 7,517.92; Harford county, 2,388.64; Kent county, 3,401.98; Montgomery county, 2,416.33; Prince George's county, 2,972.15; Queen Anne's county, 126.25; Somerset county, 20,865.44; St. Mary's county, 3,060.45; Talbot county, 276.00; Washington county, 1,976.69; Worcester county, 333.85; Susquehanna canal, 10,000.00. Total, \$111,115.46—of which \$42,924.29 were in cash, and \$68,191.17 in coupons.

LATE FROM SOUTH AMERICA. Rio Janeiro dates to the 17th of November have been received. The American frigate Raritan, Commodore Turner, had visited Montevideo in consequence of the seizure of the Argentine squadron by Capt. Forliss. Com. T. had satisfactorily settled the affair with the Argentine Government. He fully sustained Capt. Voorhees in the decided measures he took in the beginning of the trouble. The American Corvette Boston was at Rio de Janeiro. The new tariff of the Brazilian Empire went into operation on the 11th of November.

LATER FROM CAPE HAYTIAN. By an arrival at Philadelphia, the North American has dates from the above port to 23d December, being twelve days later than former advices.—In a political point of view there is nothing interesting. The utmost tranquillity prevailed throughout the Island. Commercial affairs presented quite a lethargic appearance. Business of every description at a stand. Market well stocked with American produce, which meet with dull sale. Coffee scarce and high. Logwood, the stock in first hands was fair, and large shipments of it to Europe had been made in the early part of December. The stock of hides was comparatively small, and the demand for them good.

NAVAL. We learn by a ship from the Norfolk Herald, that the U. S. brig Oregon, Lt. Comdr. Sinclair, from Chagres, arrived in Hampton Roads on Friday night. Mr. Blackford, our Charge d'affaires to Bogota did not, as we expected, come home in the Oregon.—Lieut. Sinclair awaited his arrival at Chagres as long as his duty would permit, and then set sail. The ship Pennsylvania, of Bath, from New Orleans, bound to Liverpool, with a valuable cargo of cotton, tobacco, and oil cake, was driven on the reefs, near the Bay of Honda during a gale on the 29th ult.—one man washed overboard, and remainder of crew saved; cargo will probably be saved in a damaged state.

THE ONDERDONK CASE. The True Sun says that in consequence of the apparent determination to oppose the acts of the late Convention, and to discredit the testimony of the respectable females who appeared at the trial, a second presentment has been talked of in a quarter, which gives the rumor probability.—Without wishing to add to the difficulty of the case, we can only say, that circumstances have risen to make such a course possible, and our readers will, in a few days, see a pamphlet from the pen of a Presbyter of the Church, in which new charges are made, and with some feeling.

FORGERIES AND ARRESTS. On Wednesday last, a forged check for \$800 was presented and paid at the counter of the Manufacturer's and Mechanics' Bank in Philadelphia, and on the next day a woman named Mary Wade was arrested for presenting a \$500 bill of that bank at the counter of the Pennsylvania Bank. A forged check was also presented on Friday at another bank, but the man sloped before the money was counted out to him. Jas. Morton has been arrested charged with the forgery on the Manufacturer's and Mechanics' Bank.

OFFICE SEEKING. We judge we speak entirely within bounds, says the Cecil Whig, when we suppose Gov. Pratt will receive one hundred bushels of petitions from applicants for office and their friends. We have been told that in Baltimore city there are eleven hundred applicants for the situation of wood corder, besides quite a number for the same office in each of the counties—out of the whole number but fourteen can be appointed.

ELECTION OF U. S. SENATORS. To-morrow is the day fixed for the election of a U. S. Senator by the legislature of Pennsylvania. The Rhode Island legislature has appointed Wednesday for the same purpose.

EXTENSIVE BURGULARY. The store of Mrs. Mary Marsh, Bowery street, N. York, was entered on Friday night and robbed of \$800 worth of silks, staves, jewelry and silver ware.

A Host. There are twenty one names before the legislature of Pennsylvania for the office of U. S. Senator—among them, those of Gov. Porter and Hon. Walter Forward.

SECRET HISTORY.

The New York Express states that a manuscript is already prepared, giving the secret history of Mr. Tyler's administration, and that of his two sons, which will be published after the 4th of March.

Gov. Dorr resolutions have been introduced into the Assembly of New York by Mr. Barlow. They simply express the sentiment that Dorr is unjustly and unconstitutionally imprisoned.

THREE AT A TIME. Mrs. Ryan, of Quincy, Ill., has favored her husband Daniel, with three children at a birth, weighing, in the aggregate, sixteen and a half lbs. Mrs. Ryan has had six children in twenty-eight months!

BUT CHANGED TO 38. The public are respectfully informed that by the ordinance of the city, regulating the numbering of the houses, the subscribers' address has been changed from 36 to 38, of which his customers and strangers will please take notice.

The proprietor of the celebrated VEGETABLE BITTERS and COLIC DROPS, has the present occasion to call the attention of strangers visiting the city, and others, to the superior qualities of the above medicines for the cure of Dyspepsia, Bowel Complaints, Bilious Fevers, Headache, Indigestion, Colds, Coughs, Consumption, and in addition to many complaints to which we are liable. And by their many certificates published in the papers of the day, he has in his possession a number from most respectable individuals, all testifying to the virtues of these medicines, and which can be seen at his store.

The subscriber also takes this opportunity to return his grateful thanks to a discerning public, who have extended to his medicines such a liberal support since their introduction into this city; and he is happy in the belief that they have been productive of much good wherever used. As he is the sole proprietor and manufacturer, he would caution the public against any attempts that may be made to impose upon their savings article. Every bottle of his medicine is sealed and stamped with his name on the top of the cork, also a fac simile of his signature, on the side of the bottle. None other are genuine; therefore be deceived.

His ANTI-BILIOUS PILLS are acknowledged to be a most excellent remedy for bilious complaints. They are extensively used, and pronounced one of the best family medicines now before the public. In addition to the above he has many other MEDICINAL PREPARATIONS, such as Compound Syrup of Marsh-Mallows, together with a great variety of PERFUMERY, colognes of which can be seen at his store, and which he warrants to be equal to any in the city.

CONSUMPTIVES, READ THE WONDERFUL CURE PERFORMED BY DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. The wonderful cures performed by this invaluable medicine, in Pulmonary CONSUMPTION, Coughs, Colds, Asthma, Bronchitis, Influenza, Whooping Cough, Croup, Spitting Blood, Hoarse Voice, Pain in the Side and Breast, Tickling or Rising in the Throat, and all diseases of the Lungs and Breast, have effected the astonishment of all who have witnessed its marvellous effects. It is the result of an account of a medicine, from the earliest ages, furnishing a parallel; the almost miraculous cures effected by this medicine, an ordinary medicine are unprecedented.

IMPORTANT TESTIMONY. DR. SWAYNE'S DEAR SIR.—In last October, while engaged with Mr. Joseph Smith, in a saw-mill, near Waynesburg, I was attacked with a cough, from being exposed at night, which gradually increased, attended with loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholly dependent on my exertions for support, yet was obliged to leave my business, and to retire to my bed. I was then attended by several Physicians, but still grew worse, until my medical attendants gave me up as incurable. Subsequently, my wife observing in one of the public papers, an advertisement of Dr. Swayne's Compound Syrup of Wild Cherry, procured me one bottle from Francis McClure, your agent in Lewistown, which I received; I continued until I had taken five bottles; I am now able to return to my work again. I write this to offer you my sincere thanks, and you are at liberty to make this known, so that if any human being is suffering as I have been, they may have recourse to your invaluable medicine. Yours, JOHN P. BOYNE, Lewistown, Del.

BE CAUTIONED to ask for the original and only correct preparation of Swayne's Compound Syrup of Wild Cherry, which is removed to N. W. corner of 8th and Race sts., Philadelphia.
