MEDICAL HOUSE,
11 South Frederick street,
Baltimore, Maryland.
Established in order to afford sound and Scientific Medical Advice for those long standing and difficult cases, such as were formerly considered incurable, is sufficient to convince him to be a patient worthy of the most attentive patronage which he has received. Within the last eight years, Dr. S. has treated more than 27,000 cases of various stages; a practice which no doubt exceeds that of all other physicians now advertising in the city. He has not a single case in his knowledge which was not strictly followed, and medicines taken a reasonable time, without effecting a radical and permanent cure; therefore, persons afflicted with the disease of the above nature, "no matter how difficult or long standing the case may be," would do well to call on Dr. S. SMITH, at his office, No. 11, South Frederick Street.

Lighte & Bradburn's
Patent Insulated Fall Iron Frame Scale
Grand and Square Piano-Fortes.
The Insulated Iron frame piano-forte serves the original tone of the instrument in all its purity, securing it against that most disagreeable quality of tone invariably found in other iron frame piano-fortes. It greatly strengthens the case and thus keeps the Piano-Forte sound in tone, it gives the instrument a much fuller, richer and sweeter tone. It adapts the Piano to all climates and to all changes of atmosphere, and in all respects it is pronounced by our best "artists" the greatest improvement of the age in Piano-Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.
A few testimonials in regard to the superiority of our New Scale Patent Insulated Piano-Fortes.
"I have examined the Piano-Fortes of Lighte & Bradburn's entire satisfaction. I know not that there are any others better, in our own country or elsewhere."—Dr. LOWELL MASON.
"In clearness, richness, and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon their equal."—H. A. WOLLENBARGER.
"In volume, richness, evenness, and purity of tone, as well as in the facility with which they excel, and in that beautiful singing quality, desirable yet so seldom found."—Wm. MASSEY.
"I never play upon so rich and heavy a tone Square Piano-Forte."—ARTHUR MAXWELL.
"I am astonished and delighted with the New Scale Iron Frame Piano-Fortes made by you. There must be a splendid future for Lighte & Bradburn's Piano-Fortes."—GEO. F. ROSE.
"I have never played upon so rich an instrument."—Geo. F. BRISTOW.
"I consider them to be as beautiful, sensitive, full of tone, and in every respect, equal if not superior to any Pianos made in this country or Europe."—K. W. HAYES.
"I have never, quantity, and quality of tone, they certainly excel; while for that peculiar rich and singing tone so invaluable as an accompaniment to the voice, I have never met their equal."—C. BASSBY.
"They have all the requirements for a superior instrument, both in material and modern construction."—M. STRANDBERG.
Waterson, 221 Tremont St., a few doors East of Broadway, New York.
