SOUTH CAROLINA LOAN.—The Charleston office of Tuesday says: "We understand that the Bank of the State of South Carolina has agreed to take their respective proportions of the State loan of four hundred thousand dollars authorized at the present session of the Legislature for the military defense of South Carolina. We have seen the circulars from Charleston that this loan has been voluntarily subscribed, but apportioned to the State authorities among the banks and most wealthy citizens. It is the first loan authorized for military purposes."

ANOTHER COLLEGE EXPLOSION IN ENGLAND.—Another fearful college explosion is reported, whereby twenty human beings were hurled into eternity. The explosion took place at about nine miles from Sunderland, and reported to be one of the most terrible in the North of England, it was the result of the sorrowful occurrence. In 1829 the explosion took place in the same building causing the loss of about one hundred and thirty lives, but since that time every available improvement which modern science could suggest has been adopted, for a purpose of rendering the building safe. The explosion on Thursday night surrounded with perfect mystery. *London Times*, Dec. 24.

THE PECULIARITIES of the female constitution and the various trials to which she is subjected, demand an occasional resort to stimulants. It is important, however, at the same time accomplish the desired end, Hostetter's Celebrated Stomach Bitters is the very article. Its effect in all cases of debility is almost magical. It restores the tone of the digestive organs, infuses fresh vitality into the whole system, and gives that cheerfulness to the temperament which is the most valuable of feminine attractions. The proprietors feel flattered from the fact that many of the most prominent medical gentlemen in the Union have bestowed encomiums upon the Bitters, the virtues of which have frequently been tested and acknowledged. There are numerous counterfeits offered for sale, all of which are destitute of merit, and positively injurious to the system.
Sold by druggists and dealers everywhere. See advertisement in another column.
