 And for the speedy cure of the following varieties of Scrofulous and Scurfulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Itch, Ringworm, Head-ache, Hoarseness, Blains, and all Skin Diseases.
 J. C. AYER & CO., LOWELL, MASS., U.S.A.
 Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my face and neck, and at other times it turned inward and distressed me at the stomach. Two years ago it broke out on my head and neck, and I was obliged to wear a cap and a collar, and to use a great deal of medicine, but without much relief from any thing. I then tried your Sarsaparilla, and in a few days I felt better, and in a month I was completely cured. I have since used it several times, and it has cured me of all my Scrofulous affections. I feel that I owe my health to your Sarsaparilla, and I would not be without it for any thing. I have since used it several times, and it has cured me of all my Scrofulous affections. I feel that I owe my health to your Sarsaparilla, and I would not be without it for any thing.

Sometimes it burst out in Ulcers on my face and neck, and at other times it turned inward and distressed me at the stomach. Two years ago it broke out on my head and neck, and I was obliged to wear a cap and a collar, and to use a great deal of medicine, but without much relief from any thing. I then tried your Sarsaparilla, and in a few days I felt better, and in a month I was completely cured. I have since used it several times, and it has cured me of all my Scrofulous affections. I feel that I owe my health to your Sarsaparilla, and I would not be without it for any thing.
