THE LADY'S FRIEND.
Godey's Lady's Book,
For 1862.
The World's Favorite.
For 32 Years the Standard Magazine.
Pronounced by the Press of the United States "THE BEST."
LADY'S MAGAZINE OF THE WORLD, AND THE CHEAPEST.
THE LITERATURE is of that kind that can be read aloud in the family, and the clergy in immense numbers are subscribers for the Book.
THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine.
THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."
OUR STEEL ENGRAVINGS. All efforts to rival us in this have ceased, giving us, as we do, more and more infinitely better engravings than are published in any other work.
CODEY'S IMMENSE DOUBLE SHEET FASHION-PLATES. Containing from five to seven full length Colored Fashions each plate. Other engravings give only two.
FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.
Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and artists. The publication of these plates cost \$10,000 MORE than Fashion-Plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford to give such plates, because the public can be benefited.
These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.
OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.
IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.
Everything that is useful or ornamental in a house can be found in Godey.
DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes.
OUR RECEIPTS are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originate and send this Department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.
LADIES WORK TABLE. Description of every article that a lady wears, and how to make them.
MODEL COTTAGES. No other magazine has this department.
TERMS, CASH IN ADVANCE. One copy one year, \$3. Two copies one year, \$5. Three copies one year, \$6. Four copies one year, \$7. Five copies one year, and an extra copy to the person sending the club, \$10. Eight copies one year, and an extra copy to the person sending the club, \$15. Eleven copies one year, and an extra copy to the person sending the club, \$20. And the only magazine that can be introduced into the above clubs in place of the Lady's Book is Arthur's Home Magazine.
SPECIAL CLUBBING WITH OTHER MAGAZINES. Godey's Lady's Book and Arthur's Home Magazine for one year for \$2.50.
Godey's Lady's Book and Harper's Magazine for one year for \$4.50.
Godey, Harper, and Arthur will all three be sent on one receipt of \$5.00.
Treasury Notes and Notes of all solvent banks taken at par.

The important facts of the actual consequences of self-abuse may be effectually removed without internal medicine or the dangerous applications of caustics, instruments, medicated bougies, and other empirical devices, is here clearly demonstrated, and the entire new and highly successful treatment, as adopted by the celebrated author fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This caution is rendered essentially necessary as large quantities of inferior and defective Linens are prepared and sent for sale, and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury thus inflicted upon the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.

Friends and Relatives
OF THE
BRAVE SOLDIERS & SAILORS.
HOLLOWAY'S PILLS
And OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take especial care, that they be amply supplied with these Pills and Ointment, and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.
Coughs and Colds affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying particular attention to the Directions which are attached to each Pot or Bottle.
Sick Headaches and Want of Appetite, Incidental to Soldiers.
Those feelings which so sadden us, usually arise from trouble or annoyance, obstructed perspiration, or eating and drinking whatever is unwholesome or indigestible for the health of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.
Weakness or Debility Induced by over Fatigue. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.
Volunteers Attention! Indiscretions of Youth. Sores and Ulcers, Blisters and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed directions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.
For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises. To which every Soldier and Sailor is liable there are no medicines so safe, pure and convenient as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning for 8 Pills, to cool the system and prevent inflammation.
Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.
CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

Blackwood's Magazine
AND THE
British Reviews.
Great Inducements to Subscribe!
Premiums & Reductions.
L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:
1 THE LONDON QUARTERLY (Conservative).
2 THE EDINBURGH REVIEW (Whig.)
3 THE NORTH BRITISH REVIEW (Free Church).
4 THE WESTMINSTER REVIEW (Liberal).
5 BLACKWOOD'S EDINBURGH MAGAZINE (Tory).
The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written and often untrue speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is for these Periodicals that readers must look for the only reliable and intelligent history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.
The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.
