**Sheriff's Notice in Lien Law.**  
 WHEREAS, by virtue of an Act of the General Assembly of Maryland, passed a December Session, 1841, Chapter 75, entitled "An Act for the protection of Mechanics and others in Allegany County," and the supplemental Act of the same date, which has issued out of the Circuit Court for Allegany County, and to me directed in the following words to wit:  
**ALLEGANY COUNTY, Ss.**  
 The State of Maryland to the Sheriff of Allegany County—Greeting:  
 Whereas, Philip Keys and John W. Keys partners in the building of a brick house and style of P. & J. W. Keys, have filed a claim in the Circuit Court for Allegany County, against the building of William Shaw who has the legal title to the lot on which said building is erected, and Crawford Shearer, Henry Trener, Andrew J. Coleman, James Andrews, John Patterson, James S. Inskip and Benjamin B. Dawson, Trustees of the Congregation of the Methodist Episcopal Church and Barton, Allegany county, in the State of Maryland, who have an equitable title to the lot upon which the building is erected, for the sum of two hundred and nine dollars and five cents, with interest from the 15th day of November, eighteen hundred and sixty, as by a particular statement filed in the said court will appear.  
 The kind of work done by these claimants was plastering the materials for which they were also furnished by them. The time when the work was done and the materials furnished was from the 15th day of August, in the year 1860, up to the 31st day of November, 1860, both inclusive, when the same was completed. The locality of the said building is in the town of Barton, in Allegany County, in the State of Maryland, on that part of a lot situated in said town and known as the building of William Shaw, and said lot is numbered one, said part of said lot being contained within the following metes and bounds, courses and distances to wit: Beginning on said part of a lot owned and bounded by William Shaw, to a stake and water street in said town and running thence with said street north forty degrees, east seventy feet; north sixty-two degrees, west thirty-two feet; south forty degrees, east fifty feet to Broadway street, thence with Broadway street to the beginning. The said building is a frame building, two stories high and thirty-two feet front and forty-four feet deep. And whereas, it is alleged that the said Philip Keys and John W. Keys, partners as aforesaid, now, you are hereby commanded that you make known to the said William Shaw, Crawford Shearer, Henry Trener, Andrew J. Coleman, James Andrews, John Patterson, James S. Inskip and Benjamin B. Dawson, trustees as aforesaid, and to all such persons as may hold or occupy the said building, that they be and appear before the Judge of the Circuit Court for Allegany County, to be held at the Court House in the City of Cumberland on the second Monday of October next, to show if anything they know or have to say why the said sum of two hundred and nine dollars and fifty cents, with interest as aforesaid, should not be levied on the said building, for the use of the said Philip Keys and John W. Keys, partners as aforesaid, according to the form and effect of the Act of Assembly in such case made and provided, if to them it shall seem expedient, and have you there and there to wit:  
 Witness the Honorable Daniel Weisig, Judge of said Circuit Court, the 23 day of July, 1862. Issued the 23 day of July, 1862.  
 THOS. G. McCULLOH, Sheriff.

**County Levy, 1862.**  
 In compliance with the provision of Section 9 of Article 28 of the Code of Public General Laws of Maryland, the following assessment of the levy for 1862, to meet the current expenses of the County for that year, is herewith submitted and published by the direction of the County Commissioners of Allegany County:  
 The whole levy amounts to the aggregate sum of \$35,754.96, for the payment of which forty cents in each hundred dollars, were levied, which assessment amounts to \$8,928.74 for the present year, exceeding that of the last year \$378.776. The assessment stands at a higher figure now than at any previous time since the general assessment of 1862. This large increase is the result of much pains and labor on the part of the Commissioners, in putting upon the County books property and persons not previously assessed. It is proper to state that \$68,000 of the above was returned by the late Collector. It will be seen that a State and County tax of \$2,429 will be thus secured not before realized.  
 The per centage for 1862 exceeds that of the previous year six cents in the hundred dollars for the insufficient levies of 1861, and particularly those for the roads, which in connection with several freshets within the last nine months have rendered extraordinary levies for that purpose absolutely necessary. The amount appropriated at the late session for the roads amounting to \$7,430, for 1861 it was only \$2,847, \$1,500 were levied for the use of the City of Cumberland in accordance with a long established usage, but this levy was withheld from the city for the last year or two. Had the latter levy been refused, and that for the roads been kept at the amount of last year, the per centage for the County tax would have been less than 24 cents in the hundred dollars—which was the levy for the year 1861.  
 The present levy for the State tax is twenty-five cents in the hundred dollars. It was put at that rate by the act of 1862, chapter 195.  
 JACOB BROWN,  
 Clerk to Commissioners.
