Friends and Relatives OF THE BRAVE SOLDIERS & SAILORS

HOLLOWAY'S PILLS And OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy ac- tion, of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taken according to the printed instruc- tions, will quickly produce a healthy action in both liver and stomach, and a natural conse- quence a clear head and good appetite.

Weakness or Debility Induced by over Fatigue. Will soon disappear by the use of these in- valuable Pills, and the Soldier will quickly ac- quire additional strength. Never let the Bowels be either constipated or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the pain. This is a great mistake, for these Pills will correct the morbid action, and thus remove all the acrid humors from the system— This medicine will give tone and vigor to the whole organic system however deranged, while English and French follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

Volunteers Attention! Indiscretions of Youth. Sores and Ulcers, Blisters and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed directions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the sys- tem and leave the Patient vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises. To which every Soldier and Sailor are liable there are no medicines so safe, sure and con- venient as Holloway's Pills and Ointment.
