

Friends and Relatives
OF THE
BRAVE SOLDIERS & SAILORS.

A family was on her trip—health was in her hands—Plantation Bitters.

A few bottles of Plantation Bitters will cure Nervous Headache, Sour Stomach and Febrile Breaths, Flatulency and Indigestion, Nervous Affections, Excessive Fatigue and Short Breaths, Pain over the Eyes, Mental Despondency, Prostration, Great Weakness, Sallow Complexion, Weak Bowels, &c.

Which are the evidences of **LIVER COMPLAINT AND DISSIPATION.**

It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The biliary secretions of the liver being the basis of the stomach and the entire system. It is the liver that is the source of the regular secretions of the body.

After long research, we are able to present a most remarkable cure for these horrid night-mare diseases, the world has never produced. Within a few days, or a hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge.

It is a most powerful tonic and agreeable stimulant, suited to all conditions of life. The reports that it relies upon mineral substances for its active properties, are wholly false. For the public satisfaction, and that patients may consult their physicians, we append a list of its components.

CALISAYA BARK—Celebrated for over two hundred years in the treatment of Fever and Ague, Dyspepsia, Indigestion, &c. It was introduced into Europe by the Countess, wife of the Viceroy of Peru, in 1619, and afterwards sold by the Jesuits for the enormous price of its weight in silver, under the name of *St. Ignace's Powder*, and was finally made public by Louis XVI, King of France. Humboldt makes especial reference to its febrifuge qualities during his South American travels.

CASCARILLA BARK—For Harshness, colic and diseases of the stomach and bowels.

DANDELION—For inflammation of the joints and dropsical affections.

FRANCISCA FLOWERS—For enfeebled digestion.

LAVENDER FLOWERS—Aromatic, stimulant and tonic—highly invigorating in nervous debility.

WINTERGREENS—For serofula, rheumatism, &c.

AMISE—An aromatic carminative: creating flesh, muscle and milk; much used by mother's nursing.

Also, clove-buds, orange, curraway, coarander, snake-root, &c.

S-T-1860-X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the hair, is yet unknown to the commerce of the world, and we withhold its name for the present.

HOLLOWAY'S PILLS
AND OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointment; and that the brave Soldiers and Sailors have neglected their health, and with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never failing friend in the hour of need.

Coughs and Colds affecting Troops.
Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Headaches and Want of Appetite, Incidental to Soldiers.
Those feelings which so often beset us, usually arise from troubled imaginations, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the Liver and Stomach. These organs must be relieved, if you desire to be well. The Pills, taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head, and a good appetite. **Weakness or Debility Induced by over Fatigue** Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however degraded, while health and strength follow as a matter of course. Nothing is so rare as this famous medicine.

Volunteers Attention! Indiscretions of Youth.
Sores and Ulcers, Itches and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed directions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises.
To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment. The wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which at once cleanses the wound, and soothes all around it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 8 or 9 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor H. H. Holloway, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents 62 cents and \$1 each.

Larger Considerable Savings by taking the larger size.

Directions for the guidance of patients in every disorder are affixed to each box.

Dealers in my well known medicine, can have show cards, circulars, &c., sent free of expense, by enclosing the name of Holloway, 50 Maiden Lane, N. Y., Sept. 24, '63.

DURYEAS' MAIZENA.
TRY ONE POUND.

That received a medal and honorable mention from the Royal Commission, the competition of all prominent manufacturers of "Corn Starch" and "Prepared Corn Flour" of this and other countries notwithstanding.

MAIZENA.
The food and luxury of the age, without a single fault. One trial will convince the most skeptical. Makes Puddings, Cakes, Custards, Blanc Mange, &c. without singling, with few or no eggs, at a cost astonishingly the most economical. A slight addition to ordinary Wheat Flour greatly improves Bread and Cake, it is also excellent for thickening sweet sauces gravies for fish and meat, soups, &c. For Ice Cream nothing can compare with it. A little added to milk will produce rich cream for coffee, chocolate, tea, &c.

Put up in one pound packages, under the trade-mark Maizena, with directions for use. A most delicious article of food for the young and invalids of all ages. For sale by Grocers and Druggists everywhere.
