

**Friends and Relatives**  
OF THE  
**BRAVE SOLDIERS & SAILORS.**

**HOLLOWAY'S PILLS**  
And OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take especial care, that they be supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them than the Soldier's never-failing friend in the hour of need.

**Coughs and Colds affecting Troops.**  
Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

**Sick Headaches and Want of Appetite, Incidental to Soldiers.**

Those feelings which so sadden us, usually arise from trouble or annoyance; obstructed perspiration; or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the liver and stomach.

The Pills, taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

**Weakness Debility Induced by over Fatigue**  
Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either constipated or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach, and remove all the acrid humors from the system.

This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will so effectually cure the Bowels so sure as this famous medicine.

**Volunteers Attention! Indiscretions of Youth.**  
Sores and Ulcers, Blisters and Swellings, can with certainty be cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed directions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system, and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

**For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises.**

To which every Soldier and Sailor are liable there are no medicines so safe, sure and easy as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and covered all round it, then covered with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation.

**Every Soldier's Knapsack and Seman's Chest should be provided with these valuable Remedies.**

**CAUTION!**—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing the name of Professor Holloway, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents 62 cents and \$1 each.

**Be Thorough!**—Considerable saving by taking the largest size.

**N. B.**—Directions for the guidance of patients in every disorder are affixed to each box.

**Dealers in my well known medicines can have shown to them a neat free of expense, by addressing Thomas Holloway, 50 Maiden Lane, N. Y.**

**DURYEAS' MAIZENA.**

TRY ONE POUND.

Was the only Preparation for food from Indian Corn.

That received a medal and honorable mention from the Royal Commissioners, the competition of all prominent manufacturers of "Corn Starch" and "Prepared Corn Flour" of this and other countries notwithstanding.

The food and luxury of the age, without a single fault. One trial will convince the most skeptical. Makes puddings, Cakes, Custards, Blanc Mange, &c. without using lard, with few or no eggs, at a cost astonishingly small and economical. A slight addition to ordinary Flour greatly improves Bread and Cake. It is also excellent for thickening sweet sauces gravies for milk and meat, soups, &c. For Cream nothing can compare with it. A little boiled in milk will produce rich cream for coffee, chocolate, tea, &c.

**LIVER COMPLAINT AND DISPEPSIA.**  
It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The bilious secretions of the liver crowd upon the stomach, poison the entire system and exhibit the above symptoms.

After long research, we are able to present a most remarkable cure for these horrid night-mare diseases, the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most powerful tonic and agreeable stimulant, suited to all conditions of life. The reports that it relies upon mineral substances for its active properties, are wholly false. For the public satisfaction, and that patients may consult their physicians, we append a list of its components.

**CALIFORNIA BARK**—Celebrated for over two hundred years in the treatment of Fever and Ague, Dyspepsia, Weakness, &c. It was introduced into Europe by the Countess, wife of the Viceroy of Peru, in 1640, and afterwards sold by the Jesuits for the enormous price of its own weight in silver, under the name of *Jesuit's Powder*, and was finally made public by Louis XVI, King of France. Humboldt makes special reference to its febrifuge qualities during his South American travels.

**CASCARILLA BARK**—For Hæmorrhoids, colic and diseases of the stomach and bowels.  
**DAVIDSON**—For inflammation of the lungs and dropsical affections.  
**CHARNOLEK FLOWERS**—For enfeebled digestion.

**LAVENDER FLOWERS**—Aromatic, stimulant and tonic—highly invigorating in nervous debility.  
**WINTERGREEN**—For eruptions, rheumatism, &c.  
**ANISE**—An aromatic carminative; creating flesh, muscle and milk; much used by mother's milk.

Also, clove-buds, orange, caraway, coriander snake-root, &c.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the mind, it is yet unknown to the commerce of the world, and we withhold its name for the present.

**IMPORTANT CERTIFICATES.**  
Beckwith, N. Y. Dec. 28, 1861.
