NOT ALCOHOLIC. A HIGHLY CONCENTRATED VEGETABLE EXTRACT. A PURE TONIC.

Doctor Hooffland's
GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON, Philadelphia, Pa.

Will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, weakness of the Kidney, and all diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Fulness or blood to the head, Acidity of the Stomach, Nausea, Heartburn, Disregard for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swelling of the Head, Headache, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great Depression of Spirits, will positively cure all Fevers, Billious Fevers, &c. They contain no Alcohol or bad Whiskey! They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hooffland's German Bitters, (purely vegetable), hosts of ignorant Quacks, and unscrupulous adventurers, have been seen offering cheaply the blood gates of Nostrum in the shape of poor whiskey, vilely compounded with injurious drugs, and Christened Tonic, Stomachics and Bitters.

Hooffland's German Bitters is a new and untried article, but has stood the test of fifteen years trial by the American public; and their reputation and sale, are not rivalled by any similar preparation.

The proprietors have thousands of letters from the most eminent Clergymen, Lawyers, Physicians, and Citizens, testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

Do you want something to strengthen you? Do you want a good appetite? Do you want to build up your constitution? Do you want to feel well? Do you want to get rid of nervousness? Do you want energy? Do you want to sleep well? Do you want to have a vigorous feeling? If you do, use Hooffland's German Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.
Although not disposed to favor the sale of patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not use the benefits he derives himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hooffland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly made of alcohol, and that the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of the bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt since I was a young man, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.
Philadelphia, June 23, 1863.

PARTICULAR NOTICE
There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually in a state of diseased activity. The Stimulant of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a liquor Bitters, we publish the following receipt. Get One Bottle Hooffland's German Bitters and mix with Three quarts of good Brandy or Whiskey and the result will be a preparation that is far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hooffland's German Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

ATTENTION SOLDIERS! And the friends of Soldiers! We call the attention of all having relations in the army to the fact that 'HOFFLAND'S German Bitters' will cure nine tenths of the diseases induced by exposure and privations incident to camp life. The list, published almost daily in the newspaper on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hooffland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were kindly presented to those who are so afflicted, lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of the late Gen. J. G. Brown, of the 1st Regt. N. Y. Cavalry. It was saved by the Bitters. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the exposure and privations of a arduous duty, I was attacked in November last with inflammation of the lungs, and was for seventy two days in the hospital. This was followed by great debility, heightening into a state of dyspepsia. I was then removed from the White House, and sent to this city on board the steamer 'State of Maine', from which I landed on the 28th of June. Since that time I have been unable to eat any one solid article and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it would immediately throw up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my worldly goods as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and I immediately bought a bottle. I took one immediately, and to my surprise, I found I could not only keep a glass of water on my stomach.
