

**Friends and Relatives**  
OF THE  
**BRAVE SOLDIERS & SAILORS**

A smile was on her lip—health was in her look, strength was in her step, and in her hands—Plantation Bitters.

A few bottles of Plantation Bitters will cure Nervous Headache, Cold Extremities and Feverish Lips.

Sour Stomach and Fetid Breath, Flatulency and Indigestion, Nervous Affections, Excessive Fatigue and Short Breath, Pain over the Eyes, Mental Depression, Prostration, Great Weakness, Sallow Complexion, Weak Bowels, &c., &c.

Which are the evidences of **LIVER COMPLAINT AND DYSPEPSIA.**

It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The bilious secretions of the liver overflowing into the stomach poison the entire system and exhibit the above symptoms.

After long research, we are able to present a most remarkable cure for these horrid night-mare diseases, the world has ever produced.—Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not a single instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life. The reports of its recovery from all kinds of ailments, for the public satisfaction, and that patients may consult their physicians, we append a list of its commonest ailments.

**CALISTAVA BARK**—Celebrated for over two hundred years in the treatment of Fever and Ague, Dyspepsia, Weakness, &c. It was introduced into Europe by the Countess, wife of the Viceroy of Peru, in 1640, and afterwards sold by the Jesuits for the enormous price of its own weight in silver, under the name of *Jesuit's Powder*, and finally made public by Louis XIV. King of France. It would make special reference to its febrifuge qualities during his North American travels.

**CASCABELLA BARK**—For Harbors, colic and indigestion of the stomach and bowels.

**DANDELION**—For inflammation of the lungs and dropsical affections.

**CHARMOLE FLOWERS**—For enfeebled digestion.

**LAVENDER FLOWERS**—Aromatic, stimulant and tonic—highly invigorating in nervous debility.

**STRENGTHENERS**—For scrofula, rheumatism, &c.

**ANISE**—An aromatic carminative; creating flesh, muscle and milk; much used by mother's nursing.

**ALICE**—Clove-buds, orange, caraway, coriander, nutmeg, &c.

Another wonderful ingredient, of Spanish origin, imported directly to the United States, and brilliant to the mind, it is yet unknown to the commerce of the world, and we withhold its name for the present.

**HOLLOWAY'S PILLS**  
And OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be so desired by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

**Coughs and Colds affecting Troops.**

Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proportionately to the Directions which are attached to each Pot or Box.

**Sick Headaches and Want of Appetite, Incidental to Soldiers.**

Those feelings which soadden us, usually arise from trouble or anxiety, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the liver and stomach. These organs must be relieved, if you desire to be free from them. The Pills, taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

**Weakness or Debility induced by over Fatigue.**

Will soon disappear by the use of these valuable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills, so recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system.—This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the action of the Bowels so sure as this famous medicine.

**Volunteers Attention! Indiscretions of Youth.**

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed directions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and impart new vigor to the system.

**For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises.**

To every Soldier and Sailor are liable these are no modern inventions, but have been known as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with these matchless Ointment, which should be thrust into the wound, and smeared all round it, then covered with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 3 or 4 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

**CAUTION!**—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing the true directions, and smearing all round it, then covered with a piece of linen from his Knapsack and compressed with a handkerchief. Taking night and morning 3 or 4 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

**Lyon's Kathairon.**

Kathairon is from the Greek word 'Kathro', or 'Kathairo', signifying to cleanse, rejuvenate and restore. This article is what its name signifies. For preserving, restoring and beautifying the human hair, it is the most valuable preparation in the world. It is again owned and put up by the original proprietor, and is now made with the same care, skill and attention which gave it a sale of over one million bottles per annum.

It is a most delightful Hair Dressing. It eradicates scurf and dandruff. It restores the hair to its natural color. It makes the hair rich, soft and glossy. It prevents the hair from falling off and turning gray.

It restores hair upon bald heads.

Any lady or gentleman who values a beautiful head of hair should use Lyon's Kathairon. It is known and used throughout the civilized world. Sold by all respectable dealers.
