Lyon's Kathairon.

Kathairon is from the Greek word 'Kathro', or 'Kathro', signifying to cleanse, rejuvenate and restore. This article is what its name signifies. For preserving, restoring and beautifying the human hair it is the most remarkable preparation in the world. It is again owned and put up by the original proprietor, and is now made with the same care, skill and attention which gave it a sale of over one million bottles per annum. It is a most delicate Hair Dressing. It keeps the hair cool and clean. It makes the hair rich, soft and glossy. It prevents the hair from falling off and turning grey. It restores his upon bald heads. Any lady or gentleman who values a beautiful head of hair should use Lyon's Kathairon. It is known and used throughout the civilized world. Sold by all respectable dealers. DEMAS S. BARNES & CO. Proprietors. Sept. 3, 1863—6m. NEW YORK.

HOLLOWAY'S PILLS

And OINTMENT. All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need. Coughs and Colds affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. Sick Headaches and Want of Appetite, Incidental to Soldiers. Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite. Weakness or Debility Induced by over Fatigue. Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels give you trouble, but let them act regularly, and you will be in the best of health. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, but persons supposing that they would increase the inflammation, are mistaken. These Pills will correct the liver and stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine. Volunteers Attention! Indiscretions of Youth. Sores and Ulcers, Boilings and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed directions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humor from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure. For Wounds either occasioned by the Bayonet, Sabre or Bullet, Sores or Bruises, these Pills will be found to be a most valuable remedy. To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his life saved by the timely use of these Pills, which only provide himself with this invaluable Ointment, which should be thrust into the wound and secured all round it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation. Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies. CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf.
