INCENDIARISM IN RICHMOND. The Richmond papers of the 21st publish long accounts of serious fires which occurred on the 19th in that city. The Examiner heads its reports thus: 'Destructive Conflagration—Arisen from the Heart of the City—Put not South nor Guard'—and then goes on to describe the scene as follows:

THE ADVANCE IN THE COST OF IRON. The Naval Committee of the Senate is flooded with petitions for relief from nearly everybody under engagement to clothe war-ships, or build marine engines.

THE NEW YORK LEGISLATURE AND THE NATIONAL BANKS. The New York Post says the banking committee of the House Assembly of that State, composed of a majority of Republicans, have made a report, which blames Secretary Chase for not continuing to fund the national debt as fast as possible, and by every means;

STRENGTH OF THE UNION FORCES. Some 'well posted' writers have asserted that the call for more men was a sudden determination on the part of Mr. Lincoln. This is a great mistake, indeed!

NOT SO PROFITABLE.—Acceptors of drinkeries now complain for the first time of their inability to make a living. When they could buy whisky for fifty cents a gallon, they could manufacture other liquors from it, and realize handsomely at six cents a dram.

THE WAR IN THE WEST. CINCINNATI, April 1st.—The Ohio Legislature adjourned yesterday. The Commercial's Chattanooga despatch says Major General Buell, Negley, McCook, Crittenden, Newton and Tyler, and ten Brigadiers have been ordered to report to Gen. Sherman for duty in his Division.

THE REBEL DEAD AT GETTYSBURG.—From evidence developed to the workmen and others engaged in removing the dead bodies on the battle-field, they are now fully convinced that not less than seven thousand rebels lost their lives in this conflict, the bodies of whom are still there in one space of three acres was found three hundred and twenty-five Confederate slain; and elsewhere, in a single trench, two hundred and fifty more.

PHILADELPHIA, April 6.—An official document dated Imperial Palace, Mexico, Department of Foreign Affairs, March 4, 1864, states that the Regency of the Empire having been informed that certain persons coming from ports on the Pacific had taken possession of lands in Mexico under contract made with President Juarez, announces that all such contracts are void and of no effect.

THE INDIAN TRIBES. CINCINNATI, April 4.—By order of Gov. Morton, the entire Indiana Legion is ordered to hold itself in readiness to take the field at any moment to repel an invasion. A grand review of the whole legion, numbering 30,000 men, fully armed and equipped, will be held on the 15th inst.

A Forger.

The Baltimore Daily Gazette of Friday, 25th inst., contains a circular, of which the following is a copy: Negro Equality.

As President Lincoln, by his proclamation of January 1st, 1862, abolished slavery in the rebel States, immediate steps should be taken to abolish it in the Border Slave States—especially should this be the case in Maryland.

TO WORK, THEN, FRIENDS OF THE GOOD CAUSE, let us go to the right with such an earnestness of purpose, that on the 6th day of April next, Freedom will be proclaimed from the seashore to the Alleghany mountain tops, to poor enslaved negroes, without compensation to their owners.

Why a Southern Born Man is Anti-Slavery.

There was an immense Union meeting at Bryon Hall, Chicago, last week, at which Gov. Yates, of Illinois, was the principle speaker. In the course of his remarks he said: I was born in New England and have my prejudices against the Southern people; but because I was born in the South; there centre all the memories of my youth, there is the home of my kindred, and I believe that the warm, genial pulsation of humanity flow in as deep a current through Southern veins as in any people beneath the sun—but slavery has been the cancer of the South, and it is both its substance and its manhood, and to subject it to a boastful, insulting, arrogant aristocracy, which, from the habit of tyrannizing over the poor slave, has become too pampered and arrogant to submit to the rightful authority of good government and laws.
