statement for the benefit of the afflicted:  
HAYOVERT, Pa., Feb. 15, 1859.  
Dear Sir—Having realized in my family im-  
portant benefits from the use of your valuable pre-  
paration—WISTARS BALSAM OF WILD CHERRY—I ad-  
vised me to recommend it to the public.  
Some eight years ago one of my daughters seemed  
to be in a decline, and I had procured a bottle of your  
excellent Balsam, and before she had taken the  
whole of the contents of the bottle there was a great  
improvement in her health. I have in my individ-  
ual case, made frequent use of your valuable medi-  
cine, and have always been benefited by it.  
JACOB SCHELER.

From JONATHAN HOWER, Esq.  
A Well Known and Highly Respectable Gentleman,  
CUMBERLAND, Wash. Co., Feb. 15, 1859.  
Gentlemen—This I certify that during the  
last fifteen or twenty years I have been afflicted  
with a severe affection of the lungs, and that after  
trying many remedies to little purpose, I was  
induced to purchase of your agent in this place,  
(Mr. A. J. Kershner), a bottle of Dr. Wistars' Bal-  
sam of Wild Cherry, which has proved to be all I  
in a similar manner, will try the virtues of this great  
medicine.

From Hon. John E. Smith, a Distinguished  
Lawyer in Westminster, Md.  
I have on several occasions used Dr. WISTARS'  
BALSAM OF WILD CHERRY for severe colds, and  
always with decided benefit. I know of no prepa-  
ration that is more efficacious or more deserving of  
general use.  
The Balsam has also been used with excellent  
effect by J. B. Elliot, Merchant, Mall's Cross  
Road, Md.

**U. S. 7-30 LOAN.**  
The Secretary of the Treasury gives notice that  
subscriptions will be received for Coupon Treasury  
Notes, payable three years from Aug. 15th 1864,  
with semi-annual interest at the rate of seven and  
three-tenths per cent. per annum, principal and in-  
terest both to be paid in lawful money.  
These notes will be convertible at the option of  
the holder at maturity, into six per cent. gold  
bearing bonds, payable not less than five nor more  
than twenty years from their date, as the Govern-  
ment may elect. They will be issued in denomina-  
tions of \$50, \$100, \$500, \$1,000 and \$5,000,  
and all subscriptions made for fifty dollars or  
some multiple of fifty dollars.  
The notes will be transmitted to the owners free  
of transportation charges as soon after the receipt of  
the original Certificates of Deposit as they can be  
prepared.  
As the notes draw interest from August 15, per-  
sons making deposits subsequent to that date must  
pay the interest accrued from date of note to date of  
deposit.  
Parties depositing twenty-five thousand dollars  
and upwards for these notes at any one time will  
be allowed a commission of one-quarter of one per  
cent., which will be paid by the Treasury Depart-  
ment upon the receipt of a bill for the amount, cer-  
tified to by the officer with whom the deposit was  
made. No deductions for commissions must be  
made from the deposit.  
**SPECIAL ADVANTAGE OF THIS LOAN**  
It is a NATIONAL SAVING BANK, offering a higher  
rate of interest than any other, and the best secur-  
ity. Any savings bank which pays depositors in  
U. S. Notes, considers that it is paying in the  
best circulating medium of the country, and it can-  
not pay in anything better, for its own assets are  
either in government securities or in notes or bonds  
payable in government paper.  
It is equally convenient as a temporary or per-  
manent investment. The notes can always be sold  
for within a fraction of their face and accumulated  
interest, and are the best security with banks as col-  
laterals for discounts.  
**Convertible into a Six Per Cent 5-20 Gold  
Bond.**  
In addition to the very liberal interest on the  
notes for three years, this privilege of conversion is  
now worth about three per cent. per annum, for the  
current rate for 5-20 Bonds is not less than nine  
per cent. premium, and before the war the premium  
on six per cent. U. S. Stocks was over twenty per  
cent. It will be seen that the actual profit on this  
loan, at the present market rate, is not less than ten  
per cent. per annum.  
**Its Exemption from State or Municipal Taxation.**  
But aside from all the advantages we have enu-  
merated, a special Act of Congress exempts all  
bonds and Treasury notes from local taxation. On  
the average, this exemption is worth about two  
per cent. per annum, according to the rate of taxa-  
tion in various parts of the country.  
It is believed that no securities offer so great in-  
ducements to lenders as those issued by the govern-  
ment. In all other forms of indebtedness, the faith  
or ability of private parties, or stock companies, or  
separate companies, only, is pledged for pay-  
ment of the whole property of the country is held to  
secure the discharge of all the obligations of the  
United States.  
While the government offers the most liberal terms  
for its loans, it believes that the very strongest ap-  
peal will be to the loyalty and patriotism of the  
people.  
Duplicate certificates will be issued for all de-  
posits. The party depositing must endorse upon the  
original certificate the denomination of notes re-  
quired, and whether they are to be issued in blank  
or payable to order. When so endorsed it must be  
left with the officer receiving the deposit, to be for-  
warded to the Treasury Department.  
**SUBSCRIPTIONS WILL BE RECEIVED BY**  
the Treasurer of the United States, at Washington,  
the several Assistant Treasurers and designated De-  
positaries, and by the  
**First National Bank**  
OF BALTIMORE.  
**Second National Bank**  
OF BALTIMORE.  
and by all National Banks which are depositaries of  
public money, and

throughout the country will give further informa-  
tion, and

READ WHO SAYS SO:  
From the Rev. Levi G. Beck, Pastor of the Baptist  
Church, Fenelon, N. J., formerly of the North  
Baptist Church, Philadelphia.  
I have known Hoofland's German Bitters favorably  
for a number of years. I have used them in my  
own family, and have been so pleased with their  
effects that I was induced to recommend them to  
many others, and know that they have operated in  
a strikingly beneficial manner. I have great pleas-  
ure in this public proclamation of this fact, and call-  
ing the attention of those afflicted with the diseases  
which the more popular Hoofland's German Bitters,  
knowing from experience that my recommendation  
will be sustained. I do this more cheerfully as  
Hoofland's Bitters is intended to benefit the af-  
flicted and is not a rum drink.  
Yours truly,  
LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the  
Encyclopedia of Biblical Knowledge, and  
Christian Chronicle, Philadelphia.  
Although not disposed to favor or recommend  
Parent Medicines, and not regarding their  
ingredients and effects, I yet know of no suffi-  
cient reason why a man may not testify to the  
benefits he believes to have received from a  
simple preparation, in the hope that it may  
thus contribute to the benefit of others.  
I do this the more cheerfully as Hoofland's  
German Bitters, prepared by Dr. C. M. Jackson, of  
this city, because I was prejudiced against them  
for many years, under the impression that they  
were chiefly an alcoholic preparation. I was  
induced to try them, and to my surprise, I found  
this medicine to be a most valuable and safe  
preparation. I have used it for a long time, and  
long continued debility. The use of three bottles  
of these Bitters at the beginning of the present year,  
was followed by a permanent relief of the system, and  
a degree of bodily vigor which I had not felt  
for six months before, and had almost despaired of  
regaining. I therefore thank God and my friend  
for directing me to the above cure.  
Yours, respectfully,  
J. N. BROWN, Philadelphia.

Dr. Jackson—Dear Sir:—I have been frequently

practice out of my appropriate sphere, I have in all  
cases declined; but with a clear proof in various  
instances, and particularly in regard to the  
fulness of Dr. Hoofland's German Bitters, I depart  
for once from my usual course to express my full  
conviction of their value, and to recommend them  
especially for Liver Complaint, it is a safe and val-  
uable preparation. In some cases it may fail; but  
usually, I do not think, it will be very beneficial to  
those who suffer from the above disease.

**HOSTETTER'S**  
CELEBRATED  
STOMACH BITTERS.  
A pure and powerful Tonic, corrective and altera-  
tive of wonderful efficacy in disease of the  
**STOMACH, LIVER, AND BOWELS.**  
Cures Dyspepsia, Liver Complaint, Headache, Gen-  
eral Debility, Nervousness, Depression of Spirits,  
Constipation, Colic, Intermittent Fevers, and  
Cramps and Spasms, and all Com-  
plaints of either sex, arising from  
Dearly Watery humors, whether in-  
herent in the system or  
produced by special  
causes.  
Nothing that is not wholesome, genial and res-  
torative in its nature enters into the composition of  
Hostetter's STOMACH BITTERS. This popular  
preparation contains no mineral of any kind, no  
acrid or irritating elements, no mercury, but is  
a combination of the extracts of rare balsamic herbs  
and plants with the purest and mildest of all dif-  
ferent stimulants.  
It is well to forewarn against disease and, so  
far as the human system can be protected by human  
means against miasmas engendered by an unwholesome  
atmosphere, impure water and other external  
causes, HOSTETTER'S BITTERS may be relied on  
as a safeguard.  
In districts infected with Fever and Ague, has  
been found infallible as a preventive and irresisti-  
ble as a remedy and thousands who resort to it under  
appreciation of an attack, escape the scourge; and  
thousands who neglect to avail themselves of its  
protective qualities in advance, are cured by a very  
brief course of this medicinal medicine. Fever and  
Ague, patients after being filled with quinine for  
months in vain, until nearly saturated with that dan-  
gerous alkaloid, are not unfrequently restored to  
health within a few days by the use of Hostetter's  
Bitters.  
The weak stomach is rapidly invigorated and the  
appetite restored by this agreeable Tonic and hence  
it works wonders in cases of Dyspepsia and in less  
confirmed forms of Indigestion. Acting as a gen-  
eral and painless aperient, as well as upon the Liver,  
it operates as a powerful and reliable cathartic, and  
prevents irregular action of the digestive and as-  
sertive organs.  
Persons of feeble habit, liable to Nervous Attacks,  
Persons of Spleen and Fitful Langour, find prompt  
and permanent relief from the Bitters. The testi-  
mony on this point is most conclusive, and from  
long experience.  
The agency of Bileous Cholera is immediately as-  
sisted by a single dose of the stimulant and by oc-  
casionally resorting to it the return of the complaint  
is prevented.  
As a General Tonic Hostetter's Bitters pro-  
duces effects which must be experienced or witnessed be-  
fore they can be fully appreciated. In cases of Con-  
stitutional Weakness, Premature Decay and Debility  
and Debility arising from Old Age, it ex-  
ceeds all other remedies. In the non-progressive  
stage of all diseases it operates as a delightful in-  
gredient. When the powers of nature are relaxed,  
it operates as a powerful and reliable tonic, and  
Last, but not least, it is the Only Stimulant, be-  
cause it is entirely free from the acid elements present  
in most of the ordinary tonics and stomachic  
medicines of the day.  
No family medicine has been so universally and  
it may be truly added, so popular with the  
intelligent portion of the community as Hostetter's  
Bitters.
