DR. JOHNSTON, BALTIMORE LOCK HOSPITAL. OFFICE NO. 7 SOUTH FREDERICK STREETS, THE ONLY PHYSICIAN ADVERTISING. Has discovered the most certain, Speedy, and Efficient Remedy in the world for DISEASES OF IMPURENESS. Relief in Six Hours! No Trifling! Persons Ruined by Ignorant Pretences, or by Deadly Poisons, Mercurially, should apply Immediately.

A CURE WARRANTED. NO CHARGE IN FROM ONE TO TWO DAYS. Weakness of the Back, Involuntary Discharges, Stricture, Affections of the Kidneys and bladder, Impotency, General Debility, No venereal, Dyspepsia, Laegria, Loss of Spirit, Confusion of Ideas, Palpitation of the Heart, Trembling, Dimness of Sight or Giddiness Disease of the Head, Throat, Nose, or Skin, Affections of the Liver, Lungs, Stomach or Bowels—these Terrible Disorders arising from Solitary Habits of Youth—the secret and solitary practices more fatal to their victims than the most violent and pernicious of Venereal Diseases, which they bring upon themselves, rendering marriage, &c., impossible.

YOUNG MEN. Especially, who have become the victims of Solitary Vices, that dreadful and destructive habit which usually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have embraced listening Senates with the thunders of eloquence or walked to extases the living lyre, may call with full confidence.

TAKE PARTICULAR NOTICE. These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Force, Palpitation of the Heart, Disordered Memory, Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

NEURALGIA.—The fearful effects on the mind are much to be dreaded. Memory, Confusion of Ideas, Depression of Spirit, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c.

MARRIAGE. Moral Perversions, or young men contemplating marriage, aware of Physical Weakness, Organic Debility, Wanting of the Organs, Deformities, &c., should apply immediately.

He who places himself under the care of Dr. J. may rely confidently in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS, IMPOTENCY, IMPEDIMENTS TO MARRIAGE. By Dr. Johnston's marvelous treatment. Weakness of the Organs is speedily cured, and full vigor restored. Thousands of the most nervous, debilitated and impotent, who had lost all hope, have been cured by this treatment.

All impediments to marriage, Physical or Mental Disqualifications, Loss of Procreative Force, Nervous Irritability, Tremblings, and Weakness, or Exhaustion of the most fearful kind, speedily cured.

DR. JOHNSTON, Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia, &c. has effected some of the most extraordinary cures that were ever known, many troubled with ringings in the head and ears when asleep, great nervousness, he alarmed at sudden risings, and tremblings, with frequent fainting, attended sometimes with derangement of the mind, were cured immediately.

YOUNG MEN who have injured themselves by certain practices indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt when asleep, and, if not cured, render marriage impossible, and destroy both mind and body, should apply immediately.

What a pity that a young man, the hope of his country and darling of his parents, should be snatched from all the prospects and enjoyments of life by the consequences of a deviation from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating MARRIAGE reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness and the well-being of their posterity.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it often happens that an ill-timed sense shame or dread of discovery detains him from applying to those who, from education and respectability can alone befriend him. He falls into the hands of ignorant and designing pretenses, who, incapable of curing him by any remedial substance, keep him tramping north after north, or as long as the smallest cure can be obtained, and in despair leave him with ruined health to sigh over his grating disappointments; or, by the use of their deadly poisons, Mercury hasten the constitutional symptoms of this terrible disease, such as Affections of the Head, Throat, Nose, Skin, &c., progressing with frightful rapidity until death is the result of his dreadful sufferings by sending him to that undiscovered country from whose bourne no traveler returns.

OFFICE 7 SOUTH FREDERICK STREET, left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and number.

No letters received unless post paid and containing a stamp to be used on the reply. Persons written should state age, and send portion of advertisement containing name and address.

The Dr.'s Diploma hangs in his Office. INDORSEMENT OF THE PRESS. The many thousands cured at this establishment within the last twenty years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of "The Sun" and many other papers, notices of which have appeared again and again in the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

HOSTETTER'S CELEBRATED STOMACH BITTERS. A pure and powerful Tonic, corrective and alterative of wonderful efficacy in disease of the STOMACH, LIVER, AND BOWELS. Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirit, Constipation, Colic, Intermittent Fevers, &c. Cures and Spasms, and all Complaints of other sex, arising from Bilious Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's STOMACH BITTERS. This popular preparation contains no mineral of any kind, no double botanical element; no fiery extract; but is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all dietetic stimulants.

It is well to be forewarned against disease and, so far as the human system is protected by human means against miasms engendered by an unwholesome atmosphere, pure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infected with Fever and Ague, has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under the influence of an attack, escape its scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this unrelenting medicine. Fever and Ague, patients after being pined with quinine for months in vain, until nearly saturated with that dangerous alkaloid, are not infrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a general and palatable aperient, as well as upon the Liver, it also invariably relieves the Constipation springing from irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirit and Fits of Languor, find prompt relief from the use of Hostetter's Bitters. The tonic on this point is most conclusive, and from both sexes.

The agency of Bilious Cholera is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it the return of the complaint may be prevented.

As a General Tonic Hostetter's Bitters produce a permanent relief from the most distressing and dangerous forms of Constitutional Weakness, Premature Decay and Debility, and Decays arising from Old Age, if exercised in the electrical influence, in the convalescent stage of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-assert and re-establish them.

Let, but not least, it is the Only Stimulant being manufactured from sound and innocuous materials, and entirely free from the acid elements present in most or less in the ordinary tonics and stomachic medicines.

No family medicine has been so universally and it may be truly added, deservedly popular with the suffering portion of the community as Hostetter's Bitters.

Prepared by HOSTETTER & SMITH, of the Bitters, Sold by all Druggists, Grocers and Storekeepers June 2—y

WISTARS BALSAM OF WILD CHERRY. ONE OF THE OLDEST AND MOST RELIABLE REMEDIES IN THE WORLD FOR Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup and every affection of the THROAT, LUNGS AND CHEST, INCLUDING CONSUMPTION.

WISTARS BALSAM OF WILD CHERRY. So general is the use of this remedy because, and so popular is it everywhere, that it is unnecessary to recount its virtues. It works upon the lungs, and find utterance in the abundant and voluminous testimony of the many who have long suffering and settled disease have by its use been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertion, that CANNOT BE DISCREDITED.

The Rev. JACOB SCHELER Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted. Pat. 25, 1859.

Dear Sir—Having realized in my family important benefits from the use of your valuable preparation—WISTARS BALSAM OF WILD CHERRY—I afford you my pleasure to recommend it to the public. Some eight years ago one of my daughters became ill in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. JACOB SCHELER.

From JONATHAN BOWER, Esq. A Well Known and Highly Respected Gentleman of CUMBERLAND, Md. Pat. 25, 1859. Gentlemen—This is to certify that during the last fifteen or twenty years I have been afflicted with a severe affection of the lungs, and that after trying many remedies to little or no purpose, I was induced to purchase of your agent in this place, (Mr. A. J. Kershner,) a bottle of Dr. Wistar's Balsam of Wild Cherry, which has proved to be all in all to me. I hope all who are afflicted in a similar manner will try the virtues of this great medicine.

From Hon. John E. Smith, a Distinguished Lawyer in Westminster, Md. I have on several occasions used Dr. WISTARS BALSAM OF WILD CHERRY in severe colds, and always with decided
