THE INAUGURATION OF THE INSTALLATION OF MAYOR BRUCE.
On Monday last, the members of the Council met. Present Dr. J. W. Bruce, J. L. Cruzen, Geo. Long, C. H. Smith, H. Startzman and John Young.

The late Mayor, Dr. C. H. Smith, explained the condition of various matters of interest relating to the affairs of the city as regards the ordinances, finances, &c. The Mayor, George Harrison, Esq., addressed the Council as follows:

Gentlemen of the Council: I feel honored to be chosen Mayor of this city, and to be installed in the responsible position we now occupy, let us endeavor, to the best of our ability, faithfully and honestly to discharge the duties conferred upon us. Forget the anathemas that a few have cast upon us and convince all by our actions that we are, what we profess to be, firm and loyal citizens of the Government, which has shielded and protected us and under which a beneficent Providence has permitted us to live and enjoy its privileges. I do not consider it a disgrace here to remark that the Press when properly conducted is considered an exponent of public opinion and necessarily wields a powerful influence, both when unassisted and when assisted by either fanaticism, sectionalism, demagoguism, egotism, or any other evil, it only leads to its own downfall and that of the party whose principles it advocates. Without malice towards any one, and with a kind feeling towards all, let us strive to show by our actions that we regard with feelings, more of sorrow than of anger, those who have differed with us in opinion, as well as those who have been led astray by error and misled by their error. Let justice be done moderately by our guide, not siding with those who are guilty of transgressions but upholding those who are willing honestly and honorably to discharge their duties as true and loyal citizens of the United States. I would recommend in accordance with the President's Proclamation that those who have left this City and taken up arms in favor of the Rebellion remain at least for the present in the land of their selection and until the Government and our citizens shall become satisfied that they have thoroughly repented. Then let it be said "err is human to forgive living." The present on of good order is of more importance to the community in which we reside and which it should be our utmost endeavor to maintain. The law itself is a sufficient guarantee that justice shall be done towards all and when properly administered no one can complain. Guided by these facts let us act without fear or favor. *Fiducia in rebus est.* There will be various subjects connected with the City Government tending to its improvement and prosperity to which your attention will be called, especially in connection with the establishment of water works and the better lighting of the city. Before however coming to any conclusion in relation to them let us, as far as possible, act dispassionately and do that which will most conduce to the improvement and benefit of the City as well as advancing the interest of its inhabitants generally. I sincerely trust upon your cordial co-operation in carrying out all such measures that may be deemed most expedient for that purpose and should I, any time, allow me to here it will not be considered an error of judgment and not of intention.

After the Mayor's resignation, his honor the Mayor announced the following standing committees for the ensuing year:

- Ordinances.**—Messrs. Bruce, Young and Startzman.

A committee of three, of which the Mayor was to be Chairman, was appointed to consult with the County Commissioners in reference to the levy for the city, viz: Mayor Harrison, and Counsellors Bruce and Startzman. The usual Board of Health was appointed, viz: Geo. A. Ferris, Esq., for District No. 1 (embracing all west of Willis Creek, city limits); Mr. A. C. Adams for District No. 2 (embracing all south of Bedford st. city limits); and Mr. James Foley, for District No. 3, (embracing all North of Bedford st., of city limits). Dr. C. H. Smith was appointed consulting Physician for the ensuing year. The remainder of the session was occupied in hearing appeals and making transfers, &c.

DELIVERERS HALL.—J. T. Raymond's company of actors draw full houses, and the acting is satisfactory to the audience, who are much pleased with the performances.

FROSTBERG POSTMASTER.—Dr. H. C. Stewart has been appointed Postmaster at Frostberg.

THE COAL TRADE.—We are happy to say that work in the Mining Region has been resumed, and that although but little has been done so far this week, yet the sight of trains of cars, loaded with coal on their way to market, is again to be seen. We hear the miners went in at 75 cents per ton, and we hope that a brisk business may be done, that the miner by getting out more coal, may make more than was made at the higher price per ton.

Cumberland is one of the posts at which troops are to be mustered out of the United States service in the Middle Department. Numbers of soldiers and large wagon trains are arriving almost daily. A camp has been formed on the National Road some three miles from the city.

DOWNING.—On Wednesday evening last, a young man named Jefferson Kissner, a member of Company C, 14th Regiment West Virginia Infantry, was drowned in the river just below the Canal Dam, while bathing. His body was recovered the next day.

MUSTERED OUT.—The 2nd and 3rd Maryland Regiments of P. H. B., have been mustered out of the service at Baltimore. The men are returning to their homes, generally in fine health and spirits.

The County Commissioners are in session for the purpose of making the annual levy.
