

REGISTRATION OFFICE ON BALTIMORE STREET,
IN McKim's 3rd STORY BLOCK, OVER
HEB'S DAY GOODS STORE.

TO ADVERTISERS.—The Circulation of
the CIVILIAN AND TELEGRAPH is al-
most twice as large as that of any other paper pub-
lished in this city or county, and therefore presents
greater advantages to the Advertising Public than is af-
forded through any other medium. A word to the wise
is sufficient.

berland, on Tuesday, October 10th, 1865, at
10 o'clock, A. M., and it is desired that every
member be in attendance.

Several Registration Lists are left
over until next week, because of their late
arrival. We will endeavor to produce all of
them in our next issue.

TALLY HO.—The members of the Tally Ho
Base Ball Club are notified to meet at their
room at the National House, on Friday even-
ing at 8 o'clock—for special business.

By order of the President,
WILL H. LOWDENMILK, Secretary.

sion, Rev. Dr. JOHN L. MURRAY, D. D.,

A much needed improvement has just
been made in the internal arrangements of
the Court House, under the supervision of
Mr. Geo. W. Hovest. Register of Wills. The
ceiling of the Court Room has been made new
with handsome ceiling pieces, the walls re-
plastered and covered with neat paper, imita-
tion of walnut. The wood work of columns
have been repainted and varnished, the floors
covered with elegant carpets, and matting.
The room has a light, cheerful appearance,
graciously in contrast with its former dingy,
dusty aspect, and the changes will be appre-
ciated by those who have cause to spend much
time within its walls. The Clerk's Office has
also been refitted and improved.

PRESENTATION.—Quite an interesting little
ceremony took place at Carroll Hall Academy,
in this city, on Friday last, in the way of
presentation, by the pupils, of a massive gold
ring and a splendid gold watch key to their
teacher, Mr. JOHN BUTLER, in token of their
earnest love and respect entertained by them
for him, and of their appreciation of his kind-
ness and solicitude in their behalf. The presen-
tation was made in a fitting discourse by Mas-
ter DANIEL SAYLOR, and the articles delivered
by Master GREENFIELD, after which Mr. But-
ler replied, thanking them and complimenting
them upon their deportment and attention to
studies. Mr. Butler has won golden opinions
from his students, and they are rapidly
advancing.

WHO WILL ORGANIZE IT?—For the greater
encouragement of the healthy, manly exer-
cise of Base Ball it is very desirable that an-
other club be formed, in order that the com-
petition thereby ensuing may induce greater
efforts and more interest on the part of those
engaged in it. Our city could readily furnish
excellent material for a dozen clubs, and
there should certainly be more who will un-
dertake it. The "Tally Ho Club" will lend any
assistance necessary.

On Friday evening last a negro at-
tempted to steal a revolver from a man on
Frederick street, but was discovered in the
act, and fled down the street, closely pursued
by the man, who fired upon him. The ball
missed the negro, passed through the window
of a house and grazed the face of a lady
within. No arrests.

Circuit Court.—The Circuit Court for
Allegany county will commence on Monday
next, the 2d instant, Hon. Geo. A. Pearce
on the Bench.

A substantial fence is being built
around the soldiers' cemetery near Clarysville,
and the grounds being put in good condition.

BURGLARY.—On Monday night last the
cigar and tobacco store of Mr. A. M. L. Besu
on Baltimore street, between Centre and Lib-
erty, was entered by burglars, and some fifty
or sixty dollars in currency taken, besides
about \$100 worth of merchandise pipes. The
entrance was effected by boring a hole in the
back door, with a large augur, sufficiently
large to admit the hand and turn the key
which was in the lock.

EXCLUSION BAKING POWDERS.—Every body
is delighted with it, and housekeepers are in
ecstasies. If you want most delightful bis-
cuits, the best pastry you ever ate, don't fail
to get this article, you can use it in making
light loaf bread and you will find it superior to
any thing of the kind you have ever before
used. See the advertisement in another
column, headed "Excelsior Baking Powder."

FIRE.—The alarm of fire on Sunday after-
noon was caused by the partial burning of a
building on South Mechanic street. The fire
was extinguished before the arrival of the
engines.

Col. ERETIFF W. DOWNEY, has trans-
ferred his business in Washington city to
MALCOLM GREGORY, attorney at law, and is now
a candidate for States Attorney in Hampshire
county, Va., on the conservative ticket.

JUVENILE CONCERT.—Mr. KEMMEER will
give a musical Concert at Belvidere Hall to-
morrow evening, and will be assisted by 130
pupils. Performance to commence at half
past seven o'clock. Tickets 25 cents.

PROCEEDINGS ORPHANS' COURT.—Before
Judges CAMPBELL, PERCY and BISH, on
Tuesday letters of administration were granted
to DANIEL McELRISH, on the estate of ARTHUR
McELRISH, deceased.

Agents Wanted for
THE SECRET SERVICE, THE
FIELD, THE DUNGEON, AND
THE ESCAPE.
BY ALBERT D. RICHARDSON
N. Y. Tribune Correspondent.

The most interesting and exciting book ever pub-
lished, embracing the history of a man's unparallel-
led experience for four years; traveling through the South
in the secret service of the "Tribune" at the out-
break of the war, with our armies and fleets, both
East and West, during the first two years of the Re-
bellion; his thrilling capture; his confinement for
twenty months in seven different rebel prisons; his
escape, and almost miraculous journey by night of
nearly 400 miles. It will abound in stirring events,
and contain more of the fact, incident and romance
of the war than any other work yet published.

HORACE GREESLEY says
"A great many books will yet be written con-
cerning this War, in addition to the many already
in print; but not one of them will give with a
similar compass a clearer, fuller, and more readable
and more interesting personal observation of the
pasture, animals, purposes, tendencies and insur-
mountable difficulties of the Slaveholder's Rebellion than
this unpretending narrative of Mr. Richardson."
Teachers, ladies, energetic young men, and es-
pecially returned and disabled officers and soldiers,
in search of employment, will find it particu-
larly adapted to their condition. We have
agents clearing \$150 per month, which we will prove
to you by a doubling agency. Send for circulars.
