DR. JOHNSTON, BALTIMORE LOCK HOSPITAL, OFFICE No. 7 SOUTH FREDERICK STREETS, THE ONLY PHYSICIAN ADVERTISING. Has discovered the most certain, Speedy, and Effective Remedy in the world for ALL DISEASES OF IMPURE BLOOD. Relief in Six Hours! no Trying!

Persons Ruined by ignorant Pretenders, or by Deadly Poisons, Mercury, should apply immediately. A CURE WARRANTED OR NO CHARGE IN FIRM ONE TO TWO DAYS.

Weakness of the Back, Involuntary Discharges, Stricture, Affections of the Kidneys and Bladder, Impotency, General Debility, Nervousness, Dyspepsia, Langour, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Trembling, Trembling, Dimness of Sight or Giddiness Disease of the Head, Throat, Nose, or Skin, Affections of the Liver, Lung, Stomach or Bowels - these Terrible Disorders arising from Solitary Habits of Youth - are cured and solitary practices more fatal to their victims than the song of Sirens to the mariners of Greece, blighting their most brilliant hopes or anticipating, rendering marriage, &c., impossible.

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talent and brilliant intellect, who might otherwise have attained high-sounding Senates with the thunders of eloquence or walked to extirpate the living lyc, may call with full confidence. TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by certain habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Organs, General Debility, Symptoms of Consumption, &c.

MARRIAGE. Married Persons, or young men contemplating marriage, aware of Physical Weakness, Organic Debility, Wasting of the Organs, Deformities, &c., should apply immediately. He who places himself under the care of Dr. J. who religiously confides in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS, IMPOTENCY, IMPEDIMENTS TO MARRIAGE. By Dr. Johnson's marvelous treatment, Weakness of the Organs is speedily cured, full vigor restored. Thousands of the most nervous, debilitated and impotent, who had lost all hope, have been immediately relieved.

Member of the Royal College of Surgeons, London, Graduate from one of our eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris Philadelphia and other cities, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, he alarmed at sudden sounds, insubordinate, with frequent attacks attended sometimes with derangement of the mind, were cured immediately.

What a pity that a young man, the hope of his country and darling of his parents, should be snatched from all the prospects and enjoyments of life by the consequence of deviation from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating MARRIAGE reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness indeed. Without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflections that the happiness of another is lightened with his own.

DISEASES OF IMPURE BLOOD. When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it often happens that an ill-timed sense shame or dread of discovery deters him from applying to those who, from education and respectability can alone relieve him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, siph his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment; or, by the use of that deadly poison, Mercury hasten the constitutional symptoms of this terrible disease, such as Affections of the Head, Throat, Nose, Skin, etc., progressing with frightful rapidity, until death puts an end to his dreadful sufferings by sending him to that undiscovered country from whose bourne no traveler returns.

OFFICE: SOUTH FREDERICK STREET, left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number. No letters received unless post paid and containing a stamp to be used on the reply. Persons writing about state age, and send portion of advertisement describing symptoms, will receive a circular containing a full and complete description of the disease, and a list of names of those who have been cured by the use of this medicine, no matter what his condition may be, may cure himself cheaply privately, and radically.

SKIN DISEASE SPEEDILY CURED. The many thousands cured at this establishment within the last twenty years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of "The Sun" and many other papers notices of which have appeared again and again before the public, bear testimony to his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

MANHOOD: HOW LOST, HOW RESTORED. Just published, a new edition of Dr. CULVENOR'S CELEBRATED REMEDY on the radical cure (without medicine) of SPERMATORRHOEA, or seminal weakness, Involuntary Seminal Losses, Nervous, Mental and Physical Impairment, Impediments to Marriage, &c.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual excess.

The price of this valuable and complete work is \$1.00. It is a sealed envelope, only six cents. The celebrated author in this admirable essay clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife - pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.
