

Civilian & Telegraph

CUMBERLAND, MD THURSDAY, NOV. 2, 1865.

PUBLICATION OFFICE ON BALTIMORE STREET, IN MCKAY'S 3 STORY BLOCK, OVER HENS' DRY GOODS STORE.

ADVERTISE!

The Civilian and Telegraph has a much larger circulation than any other paper in Allegany County, and is therefore the best medium in the county for advertising.

- If you are a Lawyer, Doctor or other professional man, advertise. If you want to sell goods, advertise. If you want to buy a farm, advertise. If you want to sell a farm, advertise. If you want employment, advertise. If you want to employ help, advertise. If you want to buy a house, advertise. If you want to buy or sell a lot, advertise. If you want to buy or sell cattle, advertise. If you want to buy or sell grain, advertise. If you want to advance your interests generally, advertise!

To Electors Judges.—The Judges of election in the different districts throughout the County will confer upon us a favor by forwarding us a copy of the returns as soon as made out.

NOTICE.—There will be a special meeting of the Alert Base Ball Club, at their room, this evening, at half-past seven o'clock. By order of the President, WILL H. LOWMEYER, Sec'y.

WE WANT A POLICE.—The city of Cumberland, with a population of more than 10,000—the second city in population and commercial importance in the State of Maryland—boasts of three Policemen. These three policemen are expected to be in all parts of the city at all times—to light all the lamps—to guard every citizen's property—to suppress all riots—to arrest all disturbers of the peace—in fact to see that the governmental machinery of the city is kept in good running order. Twelve years ago we had a police force more than twice as strong, and now that we have advanced in growth and importance, the municipal guardianship is reduced to almost nothing. The natural consequence is that marauders and rowdies and burglars are at liberty to do as they please, for the entire police force of the city of Cumberland is not strong enough to arrest a half dozen desperadoes. This should be remedied, and at once. The citizens of this city wish to feel that they have some security in their persons and property, and that when it is necessary, a watchman can be found within a half or three-quarters of a mile. Our present police system is a perfect farce, and we advise the Council either to make the force adequate to the demand or abolish the thing entirely and give the citizens to understand that they must defend themselves. A citizen must not carry concealed weapons, under a heavy penalty, yet the same government which forbids him protecting himself, refuses to protect him.—The Council have had this matter argued upon them in session, but a majority of them positively refuse to strengthen the police by the addition of a single man. We hope they will reconsider their action, and admit the necessity of the case.

CHANGING MAIL HOURS.—In consequence of the change made in the time table of the Baltimore and Ohio Railroad the mails at this post office will close hereafter as follows: Through mail East 9 A. M. Through and West mail East, 8 A. M. Through mail West 5.30 P. M. Through and West mail West 9 P. M.

NUMBER THEM.—The growth of our city is such as to render necessary the numbering of the houses, and the people feel the want of a considerable extent. Our merchants especially, feel its importance, in order that their places of business may be readily and surely designated. The expense of numbering the houses is very light, and every one will be glad to do it. This matter will be brought before the Council for its consideration on Monday next.

A SAD ACCIDENT.—On yesterday morning several children were playing around a lighted candle, which was on the floor, the dress of one of them a little daughter of Mr. Geo. Loxe of this city, about seven years of age, took fire. Her screams brought to her assistance several members of the family but before the flames could be extinguished she was so badly burned as to preclude all hopes of her recovery.

CHANGE OF TIME.—By reference to the advertisement in another column it will be seen that the Baltimore and Ohio Railroad Company have changed their time table, and are now running three passenger trains per week in each direction. The main train bound west leaves here now at 6.08 P. M. instead of 7.25 as heretofore, and the Mail East leaves at 8.44 A. M. instead of 9.45 as heretofore.

A NEW ASSESSMENT.—At the next session of the City Council, which will be held on Monday next, it is expected that Assessors will be appointed to appraise the property in this city, in order that its present valuation may be obtained. No assessment has been made for a number of years, and a vast increase in the value of property will become apparent.

MATCH GAME.—A match game of Bas Ball will be played between the A'ert and Dexter clubs of this city, on to-morrow-afternoon at 3 o'clock, on their grounds South of the Mountain City House. There will be a crowd present, and we may expect some good playing.

MAX SNOW.—On Monday night last a party of soldiers imbibed very freely of the "critter," and concluded to make a night of it and have things their own way. They indulged in considerable noise, and finally shot another soldier through the leg. The man who did the shooting was arrested and put in irons.

The Poor.—The Executive Board of the Association for the Relief of the Poor of Cumberland, are notified that a meeting will be held this evening, in the Assessor's room, in the rear of SWARTZWEILER'S book store.

Over 200 Government horses were disposed of at public sale in this city Monday and Tuesday, by Capt. Geo. W. HARRISON, A. Q. M. They brought good prices generally, and the stock was good.

JOHN T. RAYMOND is playing in Savannah, Ga., to large houses, and is highly appreciated by his audiences. Mr. Gray has joined him and lends his valuable aid.

THE AGRICULTURIST, for November has arrived, and gives evidence of being one of the best papers of the kind in the country. Published by ORANGE JEDD & Co., 41 Park Row, New York, \$1.50 per annum.

THE PHRENOLOGICAL JOURNAL for November has come to hand, and is an excellent number. Every one should have this book, and make good use of it.

THE RURAL AMERICAN.—See advertisement in another column, of this superb paper, and don't fail to get it, as it is a splendid investment.

REGULARY.—On Wednesday of last week, the store of Mr. WOLF GREENBAUM, on North Meacham St., was entered and robbed of goods to the value of about \$500.

Several cases of personal assaults, and robbery have occurred on our streets during the past week.

HANSON WILLSON, Esq., has withdrawn his name as a candidate for Sheriff.

ADJOURNED.—The Circuit Court for Allegany county adjourned on Tuesday.

We are indebted to our friend CHAS. A. SEAY, for late Petersburg notices.

The trial of Jefferson Davis for the crime of treason, before the United States Supreme Court, either in Washington or Richmond, at an early day, has been decided on, and the arrangements are nearly completed, the counsel for the government having been selected by Attorney General Speed, and the friends of Davis having secured counsel for him.

The Chicago papers have a sad story to tell of a girl who, after having been seduced, was charged with having robbed the man who seduced her. When arrested she was temporarily confined in an upper story of one of the city hotels. Leaping from the window to the ground she sustained injuries which will undoubtedly prove fatal.

REMOVING THE DEAD.—Col. Lambington, Chief Quartermaster Department of Washington, is having the remains of the Union soldiers who were buried north of the Potomac during the organization of the army, in 1861, exhumed and interred in the National Cemetery at Arlington.

The Canadians are excited at the rumors of a forthcoming Fenian insurrection and invasion from the United States, and a Toronto paper is out with a demand that the Government shall take the arms from the volunteers lest the Fenians should seize them. A passport and patrol system on the frontiers is also recommended.

Over 3,000 tons of Pittston coal and 20,000 tons Scranton coal were sold at auction in New York last week, at prices ranging from \$10. to \$11.57 per ton.

Commercial.

Trade on the Canal continues good, and boats are apparently plentiful. For the week ending Monday, October 20th, 107 boats had been manifested for Georgetown, carrying 11,670 1/2 tons of coal. Since the 1st of January last 2,646 boats have departed, carrying 2,994,845 1/2 tons.
