

PILOT & TRANSCRIPT

From the Cincinnati Republican. COL. JOHNSON AT CHILLICOTHE.

We expressed the other day our strong convictions that Col. Johnson could not be reported in the Pilot at Chillicothe, which was contained in the Chillicothe Advertiser of the 9th instant, and in proof of our having just grounds for this belief, we are gratified in the opportunity of spreading the following correspondence before our readers.

It is well known in Kentucky, as well as in this State, that Major Carnell is probably on terms of greater intimacy with Gen. Harrison and Col. Johnson than any individual in the west. His conduct in the following correspondence adds to the claims which his services as a Quarter-Master under General Harrison in 1812, and as a Senator of Kentucky, give him to public respect.

CINCINNATI, 24th August, 1840. Dear Sir—It was my object, if practicable, in addressing the enclosed letter to Col. Johnson, to prevent any unpleasant feelings between two gallant officers of the late war, who, from my own personal knowledge, entertained a high respect for each other.

I view it as putting to rest, now and forever, the foul slanders that have been and now are circulating against you, as regards your conduct in the decisive and glorious battle of the Thames, and in my judgment leaves no good grounds for controversy or unpleasant feelings between two brave officers of that gallant army.

I have read the correspondence between yourself and Col. Johnson, relative to him at Chillicothe. From the perusal of Col. Johnson's letter I am satisfied that he intended no imputation in the speech referred to, and that his opinions and sentiments must have been misrepresented. Thanking you for the interest you have manifested in this matter, I return the correspondence.

My Dear Colonel: I enclose your speech as published in the Chillicothe Advertiser. The reporter of your speech, so far as you speak of General Harrison, has surely misconceived you. I not only so think, but have so said. An inference may be fairly drawn, that you are not only in doubt as regards his courage, but that you have but little respect for him as a commanding General.

From the enclosed report of Col. S. Todd, you will at once discover that you take issue and widely differ. If consistent with your feelings, furnish me with your views on the subject. They will be published or not, as you may desire.

MANFIELD, August 28, 1840. My DEAR SIR:—Your favor has been received, in which you observe, that by my reported speech in inference may be drawn that I am not only in doubt as regards the courage of Gen. Harrison, but that I had but little respect for him as a commanding General.

It is the wish of the WHIGS in MANY PARTS OF THE STATE THAT A CONVENTION SHOULD BE HELD ON THIS PLACE ON THE 7TH OF OCTOBER NEXT. BELIEVING THIS SUGGESTION TO HAVE MET WITH GENERAL APPROBATION, WE HEREBY ANNOUNCE, IN BEHALF OF THE WHIG PARTY OF NORTH CAROLINA, THAT THERE WILL BE A WHIG STATE CONVENTION HELD IN THE CITY OF RALEIGH ON THE 6TH OF OCTOBER NEXT.

ONDT.—Among the evil effects of the Sub-treasury will be the destruction of credit, the foundation upon which our national prosperity has been built, and the main spoke by which the poor man ascends the ladder of wealth.

POLITICAL CHANGES. Among the late changes from Van Buren to Harrison and Reform, giving reasons for their adoption, we notice the following: Forty-one in Montgomery county, Ohio. Twenty-seven in Huron co. O. Seventeen in Lucas co. O. Nineteen in Coshocton co. O. Six in Sciota co. O.

Some Gold in Brazil.—The Fly corvette, 18 guns, at Spithead, brought \$1,700,000 from Brazil, for British merchants.

Arrival Extraordinary.—An Episcopal church arrived the other day in Matagorda, Texas, on board the brig Susan. The Gazette says, "it is a handsome and well finished building, with pulpits, pews, &c. complete."

Just Received and for sale by T. MOORE, No. 74 Baltimore street. The Tippecanoe Text Book, compiled from Niles' Register, and other authentic records, by William Ogden Niles, and published by Duff Green, Editor of the Pilot & Transcript.

So has Mr. Beeson, Van Buren candidate for the Legislature in Indiana. And Mr. Layman, of Putnamville, late Van Buren Delegate to the Baltimore Convention.

"The State Eagle," an ably conducted weekly paper published at Hartford, Connecticut, has just expunged the name of Van Buren from the head of its leading column and enlisted in the people's cause, under the banner of the whig candidate.

Those who have been accustomed to look into our paper from week to week, will no doubt at once discover that the names of Martin Van Buren and Richard M. Johnson no longer occupy a conspicuous place in our columns.

FELLOW-CITIZENS: We congratulate you on the success which has so far crowned your efforts in defence of the constitution of your country, and those great and salutary principles, on the triumph of which we honestly believe, depend the prosperity and honor, yea, the LIBERTIES of our common country.

HARRISON STATE CONVENTION. HAGERSTOWN, Aug. 5, 1840. The friends of HARRISON and REFORM in the State of Maryland, will hold a general convention and festival at Hagerstown, on Wednesday, the 16th day of September next.

NEW YORK, Aug. 29th.—The fall trade has commenced with some activity. The condition of the exchanges, however, is such, that merchants from the West and South are compelled to buy sparingly; most of the jobs will be sold on other conditions than that the notes shall be made payable in the city; purchasers to give great extent cannot comply with these conditions; few men are willing to pay a debt when they have to pay 20 per cent. and more to fulfil their contracts.

Both descriptions of Ashes continue in good request. Pots are readily taken at 4 1/2 and Pearls at 5.50. New Castle Coal is scarce and wanted; there is no fireman in the market; sale of New Castle Coal at \$7.50 6 mos. The coffee market continues very firm, and the stock of Brazil is now reduced to 10,000 bags; sales of Brazil at 10 1/2 cts. Cuba 9 1/2 cts. Sugar 10 1/2 cts. and St. Domingo at \$1.49 cts. cash. The stock of Cotton has been reduced so low that the sales are necessarily moderate.

THE NORTH AMERICAN, a leading Philadelphia paper, states with confidence, that all the Banks in that city, the U. S. Bank included, will resume specie payments on the 15th August, and the Treasury being empty, they have already received their demands in U. S. Bank Bills. In addition to this, there are numerous merchants here from the South, and the bulk of their money is in these Bills, which they are compelled to sell, to enable them to make their purchases.

SPRIT OF THE DOMESTIC MARKETS.

BOSTON, Aug. 28.—There has been a steady demand for cotton, and there is light for the season; dealers are quite firm. There has also been an improved demand for Cables, and a steady advance has been made.
