The first sensation, howeve, was changed to a general laughter, when a tall, spectral figure, that nobody present remem.

Ously. "It is immaterial about my name being upon my rolls," answered the stranger, his thin lips sindles evan did not prevent decorrections from rold is no more worthy of recard than the selfs, the country are honest and pariotic, and have your rolls," enswered the stranger, his thin the carling up into a fiendish sneer. "I may be al-lowed to appear once by the courtesy of the court and bar. Here is my license from the highest tribunal in America," handing judge Mills a broad parchment. The trial immedia-Mills a broad parchment. The trial immedia-

Mills a broad parchment. The trial immedi-ately went on. In the examination of witnesses, the stranger evinced but little ingenuity, as was commonly thought. He suffered each to tell his own sto-thought. He suffered each to tell his own sto-thought. The rare plent was a triangle to the present of the suffered each to tell his own sto-thought. The suffered each to tell his own sto-thought the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought to the suffered each to tell his own sto-thought thought. He suffered each to tell his own store republic. There are periody in our owners of the present century has been as b to make each tell it over two or three times.— He put a few cross-questions, which, with keen witnesses only serve to correct mistakes, and he made no votes, which in mighty memo-ies always tend to embarrass. The examina-tion always tend to embarrass. The examinaries always tend to embarrass. The examination of this, we can alloss promise that to work the world. Whown no ingner authority than doway making claims, wat so being ended, as counsel for plaintiff, he had a take extra ains to win its way back into Mr. that of heaven, and the universal laws which another party who pretended right to the opening speech as well as the close, but, to the astonishment of every one, he de clined the former and allowed the defense to lead off Then a shadow might have been ob

to darken even the bright eye of Prentiss.— They saw that they had "caught a Tartar,"but who it was, or how it happened, was impossible to conjecture. O thisty of it is phyor it. But realy it is time this habit of threatening the Union ith dissolution, which so many of the puny wipsters in congress indulge in should to conjecture. to conjecture. Col. Ashley spoke first. He dwelt the jury a dish of that close, dry logie, which years after rendered him famous in the senate of the Union. The poet, Albert Pike, followed with a rich which you may be sure neither the plaintiff nor the plaintiff's ragged attorney were either for-the plaintiff's ragged attorney were either for-the plaintiff's ragged attorney were either for-to consider the dissolution of the Union was not a the plaintiff's ragged attorney were either for-the plaintiff's ragged attorney were either for-to construct the plaintiff nor the plaintiff's ragged attorney were either for-the plaintiff's ragged attorney were either for-

ing that the dissolution of the Union was not a This is present season of the ear or and the ear gotten or spared. dant with a glow of gorgeous words brilliant obvious to very man of sense.

py his mental powers, what are principles of the self-styled democration sectow both his mental, party, about which the gatheman from Ohio flowed faster, till men wept, and lovely women or upon when he may

Jodge M. repeated the question. "I will, your honor," exclaimed a voice from a thickest part of the crowd-similar dashind the closed by a strong exhortation to the ju- I will, your honor," exclaimed a voice from the recevel - sinated behind to have the particle of the recevel - sinated behind to have the bystanders. He enclosed by a strong exhortation to the full source the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the recevel - sinated behind to have the particle of the part The first sensation, howeves, was changed to accluse the first sensation, howeves, was changed to accluse, sensitive and first sensation, howeves, was changed to accluse the first sensation, howeves, was changed to accluse, sensitive and first sensation, howeves, was changed to accluse, sensitive and first sensation, howeves, was changed to accluse, sensitive and first sensitive and must be obly for the first sensitive and must be obly accluse to accluse the first sensitive and first sensitive and first sensitive and the night afterward. However, and the night afterwards Hopkins was the of the sensitive account of the sensitive account

His high, pale brow, and small her ously tritten ing face seemed alive with the concentrated es-sence and cream of genius; but then his infan-worlf. 20 Dewey. Tyng and Bascom-but have niv-worlf. 20 Dewey. Tyng and Bascom-but have niv-our stewardship, and if we have gone and hid-well settled conviction, that the leaders of the sence and cream of genuis; but then his minute words set set is the uncompared and minute the blue eye, hardly visible beneath their mas-sive arches, looked dim, dreary, almost uncom-science, and wildly, Kb avior, massive as a mountin, minus that we had, and all the cills of its loss eret. If any individual will cilly vote with science, and his lothing was so shabby that the science, and this is the significance of field upon us. There are many who affect them—if he will give his indivence in cartwing THE CHOLERA EXAMPL. A CONTROL OF A STATE OF court hesitated to let the case proceed under his management. "Has your name been entered upon the rolls of the state?" demanded judge Mills, suspi-ciously. "It is immaterial about my name being upon the rolls which his proceed to the state?" demanded judge about my name being upon the rolls to the state? The state is the state is

do this, we could a most promise one into Mr. take extra ains to win its way back into Mr. Jones' fave. If Mr. Jones won't consent to be kind to it-if he is determined be will never patronize itagain—at least let him have mercy enough noto cut its head off. Kill a republic interesting and yet so fair in stature, infallible, and we may not disregard them. the contribution of the stature of the enough noto cut its head off. This a reputated the constraints of may not disregard them. (Mr. Frank Allen, of St. Joseph. (Mo.) o theory of it the pity of it. (Mo.)
