METROPOLITAN RECORD. NEW YORK INDICATOR. JOHN METCALY, Editor and Proprietor. Office 418 Broome Street. THE RECORD AND VINDICATOR is published once a week and contains eight columns of political, editorial matter and varied and interesting reading. It aims to be a truthful and unswerving exponent of State Rights, and is indelibly opposed to the anti-Democratic policy of consolidation. Believing the popular freedom in this Republic to be dependent upon State Sovereignty, it is at war with all those encroachments upon the rights of the people. It shall never cease to advocate the supremacy of the Civil Authority, and to denounce and condemn the pretensions and usurpations of the Military Power. In the future, as in the past, the Record will be the faithful advocate of Democratic principles. It is true that recent events brought about a temporary suspension of the rights of State and laws made in accordance therewith have caused a temporary revolution; but the principles of 1776 are only kept in abeyance, and will, we believe, be reasserted ere many months elapse. The people have yet to learn from experience that the lessons and teachings of the great statesmen who founded this Republic cannot be set aside by the local exigencies of popular freedom and self-government. No fact was more completely established, no principle more thoroughly vindicated than that which asserts that "Government derives its just powers from the consent of the governed" and that a Union that can only be preserved by the strong arm of military power, must be continued to be so sustained, until the establishment of a centralized military government. The Record and Vindicator shall continue as it has been in the past, an independent and unbiassed organ of public opinion, and its policy of the Administration, the defender of American Freedom, and the unflinching advocate of Liberty of Speech, Vote by Ballot, Habeas Corpus, Trial by Jury, Freedom of the Press and State Rights. The Metropolitan Record and Vindicator will be supplied to subscribers on the following terms: To city subscribers sent by express \$5 00 per copy, including postage and insurance. To clubs of ten or more, \$4 00 per copy. Parable in advance. Terms to advertisers: 25 cents per line. To transient advertisers, 15 cents. To yearly advertisers, \$10 00. Having been appointed agents for the Record, we would earnestly solicit the patronage of the public. E. W. & C. M. SMITH, Agents Metropolitan Record and N. Y.
