Mr. and Mrs. Robert Howenstine well known in this community will celebrate their 60th wedding anniversary on March 17th at Itasca, a suburb of Superior, where they are now making their home. The Howenstines came to Grand Marais about 1904 and lived here up to about a year ago.

WILL BUILD HOTELS AND SUMMER RESORTS

Ten Thousand Lakes Association to Push Plans for Chain of Hotels and Summer Resorts in State.

Organization of a holding company with a capital stock of several million dollars to finance the construction of additional hotels and summer resorts throughout the State of Minnesota, to take care of the increased travel that has been created through the advertising campaign carried on by the Ten Thousand Lakes of Minnesota Association, was decided upon at the annual meeting of the association, held at the Radisson, Hotel, Minneapolis, on Wednesday, February 18th. Through this plan, the association hopes to put into circulation millions of dollars brought into the state by tourists each year which have been turned away to other states that are appealing for summer travel and have the accommodations to take care of them.

A committee was appointed to discuss ways and means of promoting this proposition and a definite program will be outlined in the very near future. The urgent need of such a proposition was voiced unanimously by the one hundred delegates that attended the annual meeting. Lack of proper hotel facilities for the visitors was discussed by the resort men and immediate steps toward avoiding the inability to house tourists was declared to be imperative, and the only remedy was seen in the forming of the holding company.

The program of the Ten Thousand Lakes of Minnesota Association to be followed this year includes cooperation with all agencies for passage of Amendment No. 1, known as the Babcock Good Roads Amendment. Closer cooperation with hotel and resort men in the state in order to provide better facilities for the tourist.

To attract permanent summer home builders to the state.

To interest investors in the agricultural, industrial and commercial opportunities of the state.

Moving picture expedition through Superior National Forest in cooperation with the U. S. Forest Service, the Commercial Club of Ely, Minnesota, and the St. Louis County Club, which pictures will be given international circulation. Educational campaign in cooperation with other travel organizations through the newly formed American Travel Development Association to stimulate travel in America by Americans and discourage travel abroad.

Compilation of Badeker on the waterways and highways of the state. This, in addition to the advertising campaign to be conducted with the appropriation made by the state and supplementary funds that will be contributed by individuals and communities throughout the state.

Endorsement of deep waterways to the sea project.

Senator P. H. McGarry, president and general manager of the association, since its inception, presided at the meeting.

A complete board of directors was elected who in turn will choose a slate of officers this month. The new board includes:

P. H. McGarry, Walker.

A. D. Darge, St. Paul.

F. C. Lycan, Bemidji.

One director to be selected by Association of Commerce at Winona.

IVERSON FOR GOVERNOR.

"Hon. S. G. Iverson returned to St. Paul Saturday after a few days visit in this city. So far as is known he did not confine anything definite in regard to his political intentions to anybody. It has been known quite generally for some time that he may become a candidate for governor, and that is about how the matter stands now, so far as is known to the writer. It is a clearly established fact, however, that so far the candidates in the field have failed to arouse any enthusiasm among the voters, and the nomination of any one of them will be kind of a 'hit and miss' choice, if we are to judge by the present outlook. We shall not venture any definite statement as to Mr. Iverson's chances for the nomination, but as to all around fitness for the office he has no equal among the present candidates."

"WHAT HAPPENED TO JONES" HIGH SCHOOL PLAY

The Grand Marais High School will in the near future put on an original farce in three acts, it is one of George Broadhurst's famous plays that have been given universally by professionals and amateurs. The play has three acts well balanced as to incidents and character development. This is the jolliest sort of farce; clean and sparkling all the way thru. One clever happening is capped by a succeeding series of more boisterous and ridiculous turns. You will have one continuous hearty laugh from the time the play starts until the curtain falls for the last act.

When you have been hemmed in and cornered by a number of spontaneous and unexpected troubles, the first thing you look for is the quickest way out of the whole mess. Jones will demonstrate in his dual way how you may master the situation; and what is more; he will depict humorously how one may convert an obstacle into a pleasurable advantage.

The play takes the road of least resistance and follows that joyful path; depending entirely on circumstances to bring about the right thing at the right time.

Watch for the time, and date, which will be announced in the next issue of the local paper. Plan to come on time as the play is long and will begin promptly at the announced hour.

POLITICAL NEWS

It is reported that Chairman Gustaf Lindquist has refused to place the name of Herbert Hoover on the ballot to be used at the Republican presidential primaries March 15. It still seems to us, that the name of Mr. Hoover should appear upon the Republican ballot inasmuch as there are thousands of Republicans who wish his name there, and who believe him to be the greatest American of his day and that he would make an ideal president. The Hoover battle cry "Get a Business Man" sounds good.

Alfred M. Fenstead, of Little Marais, has filed for representative for this legislative district. We believe this is the first filing to date. We had hopes that our own Hans Engelsen would get in the race this year. He has been a hard and consistent worker for good roads and would be a credit to the district.

THE VILLAGE CAUCUS.

The village caucus was held last evening at which candidates were selected for village officers to be voted for at the annual village election to be held March 9th. There was a good attendance and the business of the caucus was carried out with dispatch.

Nominations for various offices are as follows:

President of Village Council—J. C. Murphy.

Trustee for three years—P. J. Bayle.

Treasurer—Wm. M. Bally.

Clerk—G. F. Lundquist.

Assessor—C. O. Backlund.

Justices of the Peace—Geo. H. Durfee and Matt Johnson.

John Woods who presided at the meeting named Aug. J. Johnson, John Winger and Dr. F. B. Hicks as caucus committee for next year.

Fred Jackson left on the stage Monday. He will bring his son Ed home from Fort Arthur where he has been in a hospital for several weeks.

SCHOOL NOTES.

Editor—Hilda Lief.

Celia Scott returned to school Monday after an absence of two weeks.

The Latin I class is now studying pronouns.

The first grade is representing Holland on the sand table.

The Botany class is studying pine trees and their needles.

Alma Isaacson returned to school last Tuesday after a week's illness.

The fifth and sixth grades are organizing a "Bird Club."

The pupils of the eighth grade are going to study the "History of Minnesota."

Coming soon—the comical farce—"What Happened to Jones."

Lois Alm of the fourth grade has been absent for some time on account of illness.

There has been good attendance recently in the third, fourth and eighth grades.

The high school and grades had their examinations last week. The report cards were given out Monday.

The G. G. Club had a party in the court house last Friday evening. Everyone had a very good time.

Randolph Samskar and Tom Carter made a trip to their traps Sunday on snowshoes.

This is the best time of the year for sliding. Where is the bunch that used to navigate the squeeze-away?

Last Tuesday morning Alma Backlund read a very interesting essay about "Silk." She told how silk is raised and manufactured. The same morning Helen Jackson recited "The Courtship of Miles Standish" in Swedish dialect.

The highest averages for the fifth grade for last month are as follows: Carl Eliason 94, Hazel Lundquist 87, Ida Johnson 82. For the sixth grade: Judith Allen 92, Paul Anaquot 91, Mona Bayle and Lloyd Johnson 89.

Mr. Qualheim gave an interesting talk about Thrift Week on Monday morning. This week has been set aside for Thrift Week and everyone should save money. Too much money is spent by most people and so a Thrift Week has been made to rouse the people to the need of saving money.

Last Tuesday the pupils in high school wrote an essay on "The Benefits of an Enlistment in the United States Army." Pupils from the whole United States have written essays on the same topic in an essay contest. Prizes will be given at Washington for the best essays.

The N. S. Literary Society will meet next Friday. The program will consist of the following: Debate—"Resolved that the Philippines Should Have Independence." Affirmative—Alma Isaacson and Elizabeth Tofto. Negative—Inez Samskar and Rose Zimmerman. Recitation—Hilda Lief. A story about life in the Army—Randolph Samskar. Recitation—Ellwood Johnson. Essay—"Benefits of Enlistment in the United States Army"—Earl Woods. Speech—Mr. Qualheim.

County Farm Bureau Column

Edited by County Agent

If proper care is given the ewe previous to lambing many losses can be prevented. When the ewe is in poor condition, says Philip A. Anderson of the animal husbandry division at University Farm, she should be given grain four to six weeks before lambing, starting with a quarter of a pound a day and increasing gradually until a pound a day is reached. This should be a mixture of equal parts of oats and bran or a proportion of about 10 per cent of oil-meal. A good grade of clover hay and silage will improve the ration. After lambing, this ration should be doubled.

"Because silage is a succulent food," says Mr. Anderson, "it keeps the system in good condition and is also a milk producer. Only silage that is sweet and shows no mold should be fed. Care must be exercised not to feed frozen silage for bad results are sure to follow. All tags or filthy wool should be removed from the udder and rear parts of the ewe before lambing. Lambs often suck these strands of wool which form wool balls in the intestines and cause death. As a general rule the udder should be trimmed on a warm day. If the weather is cold when this is done, garget may ensue and cause losses."

ANNUAL MEETING.

The annual meeting of the Cook County Mutual Fire Insurance company will be held on the 9th day of March next at the Hovland town hall at 2 o'clock P. M. Members please attend.

ANNA Q. NILSSON SCREEN FAVORITE SWEDISH BEAUTY

She Will be Seen With Bryant Washburn in "Venus in the East."

Anna Q. Nilsson, who is the beautiful and unapproachable Mrs. Pat starring Bryant Washburn, is one of the most popular leading women on the screen. She is of the statuesque, blonde Swedish type, which is quite natural, for she was born in Ystad, Sweden.

Anna Q. (and by the way, no one knows what that Q stands for) became famous on the Swedish speaking stage before coming to this country and she won a great success in the masterpieces of Strindberg, Ibsen, Bjornson, and other north country writers; in this country she duplicated success and when she went into the pictures scored an even greater hit, for her glorious blonde beauty lent itself admirably to the requirements of the camera. In "Infidelity," "Her Surrender," and "The Court of St. Simon" she starred, and in "Venus in the East," which will be shown at the Princess theatre next Saturday and Monday, she gives a striking characterization of the beautiful and aloof Mrs. Pat, the magnet that draws Buddy McNair, the wealthy hero, from his home in the West.

Farmers Attention!

"MAIL ORDER" Cream Separators

When you buy a cream separator you want the best machine you can get for the money, don't you? Well, then, just listen to this proposition:

Before you order a "mail order" separator write to the concern and tell them that you want to try their machine out against a De Laval, with the privilege of sending their machine back if you decide that the De Laval is better worth what we ask you for it than their machine is worth what they ask.

That's absolutely fair, isn't it?

We'll be glad to furnish you a De Laval for such a trial any time you like and let you be the judge.

We are glad to make this offer because we know that the De Laval will give you better service and cost you less in the long run than any other machine you can buy, no matter what the price.

If you already have a mail order separator, or any other for that matter, which isn't giving satisfaction, we have an exchange offer that we believe will interest you.

Before you buy a Cream Separator see and try a DE LAVAL
