My goods are well selected and contain all the latest and most fashionable patterns selected by an experienced purchaser in the New York and Philadelphia markets. I have no article that has been forced into market under the hammer on account of change in fashion, or damage. The public may feel satisfied that what they purchase of me is new and fashionable. I do not profess to be in competition with the vendors of "Cheap Goods." I do however pretend to sell as cheap as any retail House of standing in the Union. If you do not think so call and see.
