 Chas. Guedry.
 The proceedings of last meeting were read and approved.

 His honor, the Mayor reported to the Board, the course pursued by him, in his official capacity, in the case of the Corporation Spalding & Rogers Circus Company, which was approved by the Board.
 The following petition numerous signed was presented and read to the Board:
 "To the Hon. the Mayor and Board of Selectmen of the town of Baton Rouge."
 "The subscribers, citizens of the town, respectfully represent to your honorable body, they have learned with some surprise and particularly the Town and corporate authorities have for the last two or three years, enjoyed the use of the Wharf erected on the bank of the river, at the individual cost and expense of Messrs. Pike & Hart, without any compensation whatever to these gentlemen."
 "Your petitioners, have further been informed and believe the Corporation have twice repaired the said Wharf for public use, and convenience, thus clearly recognizing the Wharf to be a public benefit, and by its acts appropriating the wharf to the exclusive use of the public."
 "Petitioners have further been informed, that previous to these acts of the Corporation, Messrs. Pike & Hart, made application to your Hon. body, for a reasonable allowance to be made them, for the cost of erecting said wharf, but petitioners have never yet ascertained that any satisfactory disposition has been made or any allowance granted, to said Pike & Hart on their application. Your petitioners believing that neither individuals nor corporations have a right to the use, or the property of the citizens without compensation—therefore pray your Hon. body to appoint a committee, to enquire into all the facts and circumstances attending the erection of said Wharf, by Messrs. Pike & Hart, and whether the corporation, has by its acts taken possession of, and appropriated the same to the use of the public without previous compensation to the owners; and in the latter event, your honorable body proceed to make such allowances, for the use and materials of said wharf, to said Messrs. Pike & Hart, as may in the opinion of your honorable body, be esteemed just and proper and your petitioners will ever pray &c."

On motion the foregoing petition was received and a committee composed of Messrs Monget Kellum Guedry appointed to investigate the subject, and report to this Board, at its next regular monthly meeting.
 The following accounts were presented, allowed and ordered to be paid.

 Convinced by a long experience, that in the study of music specially pedantry is disgusting, and that a general routine of instruction will only produce indifferent performers, he will use all his endeavours to place himself on a level with the intelligence of his pupils—encouraging rather than disheartening their efforts, and adhering strictly to the precepts laid down by the best masters; he will continue as heretofore to tune Pianos. His prices will be—\$10 for twelve lessons of one hour each, and \$6 for twelve lessons of half hour each.
