Do, WILLIAM DEWE, to Wilson go, And for your likeness sit, I know it's time enough my dear, And you have promised it; But time is on the wing my love, As Poets oft has sung, And you'll be fading soon my dear, So get it while you're young. DAGUERREOTYPE MINIATURES.

I HAVE just returned from the west—and I am prepared for business. Now whilst the opportunity offers, is the time to secure a picture. Obtain the shadow ere the substance fades. When our friends, relatives and sweet-hearts are with us, it would seem useless to have a likeness of them, but the future may separate us; Ay, death may take them away forever, and then a correct and life-like resemblance of them, is invaluable. I have all the late styles of cases, Gold Enamelled, Papier Maché, Pearls, &c Gold Locketts, Pins and Bracelets. Pictures taken at \$2.
