PROCLAMATION To the Citizens of Baton Rouge

THROW PHYSIC TO THE DOGS.

PULVERMACH'S
HYPO ELECTRIC VOLTRIC CHAINS,
Producing instant relief from the most
acute pain, and permanently cu-
ring all Neuralgic Diseases.

Rheumatism, painful and swelled Joints, neural-
gia of the Face, Deafness, Blindness, St. Vitus
Dance, palpitations of the Heart, periodical
Headache, pains in the Stomach, In-
digestion, Dyspepsia, Urine pains.
THESE CHAINS were first introduced in the
city of New York, less than a year since, and
after being subjected to the most thorough trial
in every hospital in the city, by Drs. Vallentin
Mott, Post, Carnochan and Van Buren, it was dis-
covered that they possess strange and wonderful
power in the relief and cure of the above class of
diseases, and they at once recommended, through
the papers of the city, their general use, and their
sale and the success that has attended their use
is unparalleled.
Previous to their introduction into this country
they were used in every hospital in Europe, and
are secured by patents in France, Germany, Aus-
tria, Prussia and England; and also in the United
States.

"Think close and ponder well."
The principles upon which it is claimed that the
Chains produce their marvellous cures, are, first—
that all nervous diseases are attended and pro-
duced by a deficient supply of nervous fluid, and
an agent that resembles closely electricity, or
electric magnetism; and second—that the electric
magnetic chains, by being worn over and upon
the part and organ diseased, furnish to the ex-
hausted nervous system its powerful stimula-
ting effects, the nervous fluid which is required to
produce a healthy action through the entire sys-
tem. No disgusting nostrum is allowed to be taken
while using the Chains, but a rigid observance of
the general laws of health are required. Brisk
Friction upon the part diseased, adds much to
the effect of the chains, by increasing their mag-
netic power.

1000 Dollars
will be given to any person who will produce so
many well authenticated certificates of cure, both
from intelligent patients and scientific physicians,
as have been affected by the use of Pulvermach's
ELECTRIC CHAINS. They never fail to perform what
they are advertised to do, and no person has ever
been dissatisfied who has given them a trial.

In Female Diseases,
more than one hundred permanent cures of pro-
lapsed uteri have been effected within the last year
by the use of these chains. By applying one end
of the chain to the region of the abdomen and
the other upon the spine just above the hips, the
usual severe symptoms incident to that disease are
at once removed.

Mode of Use.
The chain should be moistened before use with
common vinegar, and then one end of the chain
should be applied directly to the seat of the pain
or disease, and obtain a pamphlet (gratis.) It
will explain their mode of use to all who may de-
sire it. Physicians are respectfully invited to call
and investigate their merits.
