

# The Daily Comet.

BATON ROUGE, NOV. 15, 1855.

The Bayou Sara and Williamsport, Coast and New Orleans packet, Bella Donna, Capt. William McCombs, has our thanks for repeated favors.

The Police Jury, for this Parish, at its session the other day, refunded the amount expended by the "Benevolent Association" for the indigent sick in the Parish, outside of the Corporation, during the past season.

To our friend, ROBT. L. HENDERSON, just down from St. Louis, we are indebted for St. Louis, Louisville and Cincinnati papers.

**MOB-CRACY IN KANSAS.**—The "Democratic idea in Kansas, is fast running into mobocracy, and the people are on the eve of a civil war. The St. Louis Democrat of the 6th inst., says that Mr. ATCHISON, is to blame for this. The paper charges. That he is getting up all the excitement to influence the election for United States Senator, which is to come off in Missouri during the approaching session of the Legislature.

The American inventors, represented at the Paris exhibition, have received about twenty gold and silver medals, which gives a medal to every eighth exhibitor a higher proportion of first class medals than will be received by any other nation. McCormick's reaping, and Pitts, treshing machines, Blanchard's for bending wood Singer's sewing machine, Goodyear's vulcanized india rubber, Fowler and Preterre for artificial teeth, Richmond's machinery for cutting iron for steam boilers, and Maury's maps and charts, are among the articles which took the medals. Colt's guns and pistols met with great opposition, and many competitors from France and Belgium, and he, in consequence, gets but a third class medal. Fairbairn, the celebrated engineer, before the British Association, paid marked compliments to the many new and useful inventions which he found at the Paris exhibition by American contributors.

Mr. William Bumbshell has been elected President of the Shawmut Bank, Boston. There is something ominous in the name of Bumbshell for President, to say nothing, of the name of the Bank. It must have a bad effect, on the stocks.
