TELEGRAPH COMPANIES. THE NATIONAL TELEGRAPH COMPANY.

A new enterprise to be known as the National Telegraph Company has been organized with valuable franchises conferred by a recent act of Congress.

Actual Capital Required. \$100,000.00. In 10,000 Shares of the par value of \$100 PER SHARE.

But the actual amount to be paid in Cash is \$35 PER SHARE.

And this amount is to be paid as follows: One per cent at the time of subscribing, and no more, until the entire capital has been subscribed, and then on calls to be made by the Board of Directors; when thirty-five per cent of the par value of the shares has been paid, certificates of stock will be issued. This will give the Company a paid up Capital of \$3,500,000.

Having been quiet for some time in consequence of death in my family, and having been desirous of adding in the present struggle for equal rights, I embraced the first opportunity afforded me for that purpose, and supposed myself in association with men friendly to my race, and to the Radical Republican party, as they called themselves.

One per cent of the stock will be required on subscription, and subsequent calls, not to exceed five per cent per month, will be made by the Board of Directors, from time to time, as may be necessary, to apply funds to construct and equip the lines; no calls will be made after the six per cent is paid, until the entire Capital Stock shall have been subscribed.

The above card was accompanied by another, indorsing the Rev. M. Rogers and the Republican ticket headed by Warmoth and Dunn, and signed by Rev. Jos. Whittier, Bayou Louis, near Berwick's Bay; Rev. J. M. Clinton, Livingston; J. W. Briggs, Concorde; Peter Thoroughgood, New Orleans; Rev. S. Gilliat, Algiers; M. M. Scott, Bayou Both; C. C. Holmes, Red River; J. M. Howard, Case River.

Which will connect all the commercial centres and important places in the United States. This opinion rests upon the most reliable estimates and responsible offers to construct and equip the line.

The National Telegraph Company is organized under the laws of the State of New York, and franchises conferred by an act of Congress, approved July 21, 1867.

A limited amount of the capital stock of this Company is offered to the public, and those having an opportunity, and subscribers, will be placed upon equal terms with the corporation, and will secure the interest in all franchises which have secured, and may hereafter secure to the Company from any and all sources.

Subscriptions will be received by J. C. GARDNER, Esq., Cashier National Bank, 110 N. W. CORNER, THOMAS L. BEE, Esq., Cashier Merchants' Bank, and D. WEISBERG, Esq., General Agent of the Company, in the office of R. G. DUNE & CO., 117 Poydras Street, St. Charles, NEW ORLEANS, LOUISIANA.
