

The New York World, which favors the coalition, says that there is no real line of division between Republicans like Mr. Schurz and the Democratic...

The elections, also, show a Republican union and firmness which indicate the deep conviction of the American people that Republicanism is the guarantee of peace and progress.

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF LOUISIANA.

The parishes that will compose this District are the following: Caddo, De Soto, Bossier, Webster, Claiborne, Bienville, Red River, Natchitoches, Sabine, Grant, Winn, Jackson, Union, Morehouse, Ouachita, Caldwell, Calhoun, Concordia, Franklin, Richland, Carroll, Madison, Tensas and Vernon.

The extreme portion of Caddo parish from New Orleans, we will say, is seven hundred miles, though it is really over that. The marshal's fee for travel in going only to every process, warrant, attachment, or other writ, including writs of subpoena in civil and criminal cases, six cents per mile—to be computed from the place of service to the court or place where the writ or process is returned.

For expenses while employed in recovering to arrest, under process, any person charged with or convicted of a crime, the sum actually expended, not to exceed two dollars per day, in addition to his compensation for service and travel.

There are many other expenses by the government—in the summoning of jurors and witnesses in behalf of the United States, and in behalf of any prisoner, to be tried in offences against the same, besides incidental expenses that we do not mention, which all go towards swarming us that a United States District Court in this part of the State, is needed.

We hope Congress will view this matter from our stand-point, and legislate for the interest of the people and the government. Money will be saved to the government by the re-establishment of this Court; the laws of the United States will be put in practical and effective force in this part of the State, and those who lay themselves liable to be tried under the same will be dealt with at home, and not dragged off and black-mailed by the United States Commissioner in the city of New Orleans.

Court in this State, resulting from the fact that New Orleans has a large and constantly increasing maritime and commercial business affords an additional reason for the re-establishment of this Court.

The expense to the Government saved in the mileage of the Marshal in cases where the Government is bound for the costs—the extreme portion of the State being over seven hundred miles from the place where the Court sits—would more than pay the officers of this District.

The enforcement of the many acts of Congress in which the people are vitally interested and which are now in this part of the State a dead letter, call for the immediate re-establishment of this Court.

Hoping that you will lend your valuable assistance in the premises and present this petition to Congress as our prayer.—Louisiana Intelligencer.

SEVENTH WARD. RESOLUTIONS RATIFYING THE ACTION OF THE REPUBLICAN SENATORS IN ELECTING LIEUTENANT GOVERNOR PINCHBACK.

At a meeting of the Warmoth and Pinchback Pioneers, of the Seventh Ward, held at their hall, on Thursday evening, December 7, 1871, the following resolutions were unanimously adopted:

Resolved, That the election by the State Senate of the Hon. P. B. S. Pinchback, to the position of Lieutenant Governor, has given another proof of the integrity and strength of the Republican party, and of the determination of its Excellency Governor H. C. Warmoth and his co-workers, to protect the political interests of all classes composing said party; and

Whereas, The action of the Customhouse faction, in forming an alliance with the Democratic Senators, relinquishing the claims of the colored people to representation, thus disregarding one of the most important principles that has heretofore bound us together, and disregarding the party principles; therefore be it

Resolved, That the thanks of this club are hereby tendered to his Excellency Governor H. C. Warmoth, and the honorable Senators, who, by their co-operation, saved us from political defeat; and be it

Resolved, That we depreciate the action of the pretended Republicans composing the bolting element as malicious, destructive, desperate, unwarrantable and unparliamentary in their efforts to rule or ruin; and be it

Resolved, That the foregoing resolutions be published in the New Orleans Republican.
