

Believing, then, as I have before said, that the national Government is the guardian of all the liberties of her subjects, I think we should lend all our aid to the establishment of a national educational fund.

The Education of Editors.

The "Record," a journal devoted to the dissemination of information especially interesting to the "craft," very truthfully remarks that journalism has come to be recognized as one of the learned professions and takes rank with theology, law and medicine.

Journalism presents one essential point of difference from other professions; there is no theory about it—it is all practice. Hence it is plain that a knowledge of it cannot be acquired from "books."

We do not mean to insist that a thorough knowledge of printing is indispensable to an editor, but it is exceedingly helpful; the ability to handle type and make up a "form" is of trifling value when compared with the discipline through which this ability is gained.

Ancient Leap Year Custom.

An ancient leap year custom peculiar to Spaniards and Mexicans, is described as follows by a paper published in the southern part of California, where it is still practiced.

THE LAST RESOURCE.

A most insidious appeal to the colored men is that in the Picayune on the accession of Lieutenant Governor Dunn. Admitting the ability of Lieutenant Governor Pinchback, it denies his right to assume the leadership of the colored people of Louisiana because of his mixed blood.

But does it hope to deceive sensible colored men by the suggestion that any one with a single drop of African blood in his veins differs in the estimation of its two hundred and fifty shopkeeping stockholders, from one who is wholly and unadulterated African?

The Picayune is a sham, and its stupid, demagogue appeals will deceive not even the most stolid negro in the land. Mr. Pinchback has made a record unsurpassed as a friend to the colored race.

SOCIAL EQUALITY.

Some three years ago the few sublimated Democrats of this parish, were horrified because Senator Anderson drank a glass of egg-nog at the Auditor's office in New Orleans, Lieutenant Governor Dunn happening to be present.

Well, recently about six white Democratic Senators and about ten white and colored Customhouse Republican Senators voluntarily made an excursion together on the United States revenue cutter Wilderness, where they were on terms of perfect equality.

Senator Ingraham, is a colored man, and belongs to the Customhouse wing of the Republican party. He was one of the Wilderness crew, and also one of the pleasure party at Bay St. Louis.

We have been waiting, confidently expecting a howl of rage from our sublimated Democrats, because of this conduct of their representatives; but we have waited in vain.

WALTHAM WATCHES.

THE BALANCE WHEEL OF A WALTHAM WATCH BEATS 4 times a second, 240 times a minute, 14,400 times an hour, 345,600 times a day, 292,00 times a week, 10,368,000 times a month, 126,144,000 times a year.

MORE IS EXPECTED OF A WATCH, THAN ANY OTHER KIND OF MACHERY. It must not only run all day, but all night; not only on weekdays, but on Sundays and Holidays. It must run hanging up or lying down—upside down or right side up. It must keep running when the wearer sits down or stand up. When he walks or rides. In fact, it is expected to do its duty at all times, in every place and in every position.

A Genuine Waltham Watch will fulfil all these requirements. I would once a day, it will faithfully tick for you a hundred and twenty-six million times in a year, without even requiring fresh oil all that time.

A Genuine Waltham Watch CONTAINS 5 Spring, 9 wheels, 51 Screws, and 98 other parts making altogether 136 separate pieces.

ALL GENUINE WALTHAM Watches have seven Jewels.

THE EXTRA JEWELLED HAVE ELEVEN JEWEL THE FULL JEWELLED HAVE FIFTEEN JEWELS.

Every part of a Waltham Watch is made by machinery. The machinery used in making the movement of a single watch coast over a Hundred Thousand Dollars, yet we sell these Watches, in a solid Silver Hunting Case, for \$18. The same watch could not be made by hand and finished as perfectly for TEN TIMES AS MUCH.

A Genuine waltham Watch Is interchangeable, like a Springfield rifle that is, any part of one Watch is exactly like the same part in another; and if ten Watches of one grade were taken apart, and the screws, wheels, springs, &c., were mixed together, ten watches could be made by putting these parts together again, without any reference to their former combination. This is a GREAT ADVANTAGE: For, if any part of a Waltham Watch is injured we can always replace it at a trifling Expense.

A GENUINE WALTHAM WATCH Is made with special reference to DURABILITY. Other Watches will run for a year or two, an require constant repairs; but A Waltham Watch WILL RUN FAITHFULLY FOR MANY YEARS.

We sell these Watches, IN SOLID SILVER HUNTING CASES..... \$18 IN SOLID GOLD HUNTING CASES, \$70

We have prepared an ILLUSTRATED PRICE LIST, which describes the various grades of Watches in detail, gives the weight and quality of the Cases, and all other information necessary for an intelligent selection. We wish every one would send for it before ordering a Watch.

Write for it as follows: Messrs. HOWARD & Co., No. 785 Broadway, New York:

Please send me your Illustrated Price List of Waltham Watches, as per advertisement in THE LOUISIANIAN. (Sign name and address in full) WITHOUT EXPENSE, OR Refund the Money.

We have sent out over Five Thousand of these Watches upon these conditions, and have only been asked to refund the money in three cases, and not one of these was on account of dissatisfaction with the Watch, but because the parties needed the money more.

WE HAVE NO AGENTS, AND OUR PRICES ARE THE SAME TO ALL. A RESIDENT OF OREGON OR TEXAS CAN BUY A WATCH FROM US AND IT WILL COST HIM NO MORE THAN IF HE LIVED IN NEW YORK. ALI HIS IS EXPLAINED IN THE PRICE LIST.

SPECIAL NOTICE. WE DO NOT SELL Waltham Watches in any Imitation, Gilt, Plated, Oride, Filled Cases whatever (these are all other names for Brass or German Silver). The Waltham Watch is worthy of a solid Gold or Silver Case, and we do not propose to sell it in any other. LET EVERY ONE SEND FOR A PRICE LIST. ADDRESS IN FULL, HOWARD & Co. Jewellers and Silver-smiths, No. 785 BROADWAY, NEW YORK.
