THURSDAY, SEPT. 7, 1872.

THE STRAIGHT CUTS, Have met in New Orleans, nailed their flag to the mast and in utter hopelessness of success nominated Charles O'Connor President and John Quincy Adams for Vice President of the National States. This is another characteristic act, another effort to bury a dead, cold, rigid corpse.

The adoption of the Cincinnati platform by the representatives of the Democratic party at Baltimore and the nomination of Horace Greeley demonstrated the Democratic belief in the peculiar and distinctive character of their party were obliterated, and as plainly as language could express it the leading Democrats expressed their acceptance of the situation and determined to make a new departure. All this has lasted till December had Farmer's chances for election even promising. But the election every day becoming grayer, on account of the victories Republicans in various States, Grant will be re-elected, of necessity drives Democrats who presently die in the last ditch, sullenly, cursing humanity and protesting rather than part with the established dogmas of a half civilized race and identify themselves with the vigorous, and invigorating issues of the day, they have, therefore, formed a nucleus for the whole democracy to rally to after Mr. Greeley's defeat, which they foresee; this is about all the importance of all the insignificance belonging to the Louisville move.

CONCERNS.—The lovers of the song and the dance have had two opportunities this week of enjoying themselves at the Lyceum Hall. On Tuesday evening the Lewis Cadets got up a very creditable series of songs, recitations, etc., and attracted to the Lyceum Hall a large and respectable audience who were rewarded for their patronage by the entertainment they received.

The amusement lasted till a late hour, but from the interest, secured from all appearances we conclude that the funds of the "Caledonia" were considerably improved by the effort.

On Thursday evening another concert was held in the same hall and a worthy "widow M. J. C." attracted an attendance was not so large as the above occasion, but it was equally appreciative and sympathetic.

Many of the songs were sung in French with much grace and effect. Two or three pieces were very admirably performed on the piano.

The instrumental department consisted of both concerts were well conducted over, and the piano from the celebrated depot. Both concerts concluded with the customary benediction in the shape of a prayer, the lovers of which are all to be in attendance.

IMPORTANT ANNOUNCEMENT TO THE American People

OF THE INTRODUCTION FOR THE FIRST TIME IN THE UNITED STATES OF

Dr. G. Colletto's CELEBRATED EUROPEAN RENOWNED ALTERNATIVE PILLS.

The success of which in England, France, Germany, Austria and Prussia is unprecedented, having entirely superseded all magnesia, salts, seltzers, oils, etc., of every description, and are universally acknowledged to be the most effective and agreeable Purgative ever yet introduced.

Dr. Colletto has just completed arrangements to supply the people in America with his valuable Pills, and to prevent any imitation of them, manufactures them at his Central Depot, No. 32 Carondelet street, New Orleans, where orders are already pouring in from all parts of the country.

Dr. Colletto, to assure the people that his

ALTERNATIVE PILLS are not gotten up on speculation and never yet tried, would state that he is a graduate member of the Royal College of Surgeons in London, and during his extensive practice for the last twenty-five years in Europe, has abored to produce some medicine which would come within the reach of all, and which would effectually cure a large number of complaints so general, and for the want of an article of this kind generally goes neglected until the health is impaired and undermined and the constitution shattered. He, therefore, has tried these effectually in Europe for the last fifteen years, with the most satisfactory results, and their success has been so complete, that it has astonished even himself, and surpassed his most sanguine expectations. One or two boxes save hundreds of dollars in doctors' fees every year in curing the following complaints, which are at the foundation of all diseases:

If your blood is rancid or vitiated, purify it with DR. COLLETTO'S ALTERNATIVE PILLS.

If your skin is diseased and you are covered with pimples, boils, blotches, old sores, scurfy or scurfy, DR. COLLETTO'S ALTERNATIVE PILLS will remove and cure them all.

If you are worse, and have Ulcers, Cancer or Tumors, the effect is magical and the cure complete in taking DR. COLLETTO'S ALTERNATIVE PILLS.

If your Liver is sluggish and you are suffering with jaundice and palpitation of the heart, you can be cured by taking DR. COLLETTO'S ALTERNATIVE PILLS.

If your digestion is bad, and you are constipated, your skin dry and feverish, your head hot and aching, your mouth and lips parched and your eyes red and constipated, or inflamed, you will find immediate relief in taking DR. COLLETTO'S ALTERNATIVE PILLS.

If you have inflammation of the stomach, bowels, womb, kidneys or bladder, with pain in the small of the back, difficulty in stooping without falling, weakness in the knees and dizziness in the head, with dimness of sight, you can remove the inflammation and restore your strength by using DR. COLLETTO'S ALTERNATIVE PILLS.

If you have an enfeebled and debilitated constitution, and are afflicted with lassitude, loss of memory, loss of sleep, loss of appetite, short breath, and are nervous and restless, with bad circulation of the blood, try DR. COLLETTO'S ALTERNATIVE PILLS.

If you reside in a climate where you are liable to Yellow Fever, Typhoid or Typhus Fever, or Fever and Ague, you can escape these diseases entirely by taking as a preventive DR. COLLETTO'S ALTERNATIVE PILLS.

In spring and summer, when dysentery and diarrhoea are so prevalent among children and adults, one box of DR. COLLETTO'S ALTERNATIVE PILLS will check the complaint and cure you at once. Should you be attacked with that dread disease, Cholera, so fatal in its effects, its perfectly harmless if you are provided with a box of DR. COLLETTO'S ALTERNATIVE PILLS!

The following is only one of thousands of testimonials that could be published, but as it is from four of the most eminent Physicians in London, it is considered substantial proof of their efficacy in Fever and Cholera cases:

12 HYDE PARK GATE, London, August 15, 1871. Dr. G. Colletto:—We have pleasure in informing you that after several trials of your valuable ALTERNATIVE PILLS, both among our outside patients and especially in the Fever and Cholera Hospitals, we have found that in every case where your Pills were given in time, that they invariably checked the disease at once, and especially so in all Cholera cases, not a single life of which has been lost, wherever we have used them. Such is our confidence, after having proved them by five years' experience, we have decided to adopt their use altogether, and desire to express to you our most distinguished regard for so valuable and useful a discovery. Please forward to above address one gross box of your ALTERNATIVE PILLS, and send inclosed cheque for same, and oblige your most obedient servants,

A. K. WYMAN, Bart, M. D. JOHN F. MARTIN, M. D. HENRY C. RODEN, M. D. G. K. TRACY, M. D.

Dr. Colletto would also state as an evidence of their usefulness in Fever cases that his ALTERNATIVE PILLS were used by His Royal Highness the PRINCE OF WALES during his illness, and the surgeons would not allow any other Purgative Medicine to be used.

In order that the people may not be deceived in purchasing his Alternative Pills, he would state that they are all manufactured at his CENTRAL DEPOT, 32 CARONDELET STREET, New Orleans.

where he prefers to receive all applications that he may send a medicine which he can guarantee and which will prevent impostors from trying to counterfeit; but after having once used these, patients can never be deceived by the substitution of any other compound.

Price per box \$1, or six boxes \$5, delivered to any address in the country.

All letters and applications through the post should be addressed to DR. G. COLLETTO, Post Office Box 320, New Orleans, La. Medical Office and Surgery, 32 Carondelet street, New Orleans.

HARPER'S BAZAR. A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight.

Harper's Bazar contains 16 folio pages of the size of Harper's Weekly, printed on superfine calendered paper, and is published weekly.

NOTICES OF THE PRESS. Harper's Bazar contains, besides pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress, and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and it has, besides, good stories and literary matter of merit. It is not surprising that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its publishers have filled the demand. The young lady who buys a single number of Harper's Bazar is made a subscriber for life.—New York Evening Post.

The Bazar is excellent. Like all the periodicals which the Harpers publish, it is almost ideally well edited, and the class of readers for whom it is intended—the mothers and daughters in average families—cannot but profit by its good sense and good taste, which, we have no doubt, are to-day making very many homes happier than they have been before the women began taking lessons in personal and household and social management from this good-natured mentor.—The Nation, N. Y.

NOTICES OF THE PRESS. The Model Newspaper of our country. Complete in all the departments of an American Family Paper, Harper's Weekly, has earned for itself a right to its title, "A JOURNAL OF CIVILIZATION."—New York Evening Post.

The best publication of its class in America, and so far ahead of all other journals as not to permit of any comparison between it and any of their number. Its columns contain the finest collections of reading matter that are printed. Its illustrations are numerous and beautiful, being furnished by the chief artists of the country.—Boston Traveller.

Harper's Weekly is the best and most interesting illustrated newspaper. Nor does its value depend on its illustrations alone. Its reading matter is of a high order of literary merit—varied, instructive, entertaining, and unexceptionable.—N. Y. Sun.

HARPER'S PERIODICALS.

"Unquestionably the best sustained work of the kind in the World."

HARPER'S MAGAZINE

Notices of the Press.

No more delightful travels are printed in the English language than appear perpetually in HARPER'S MAGAZINE. They are read with equal interest and satisfaction by boys of every grade from eighteen to eighty. Its scientific papers, while sufficiently profound to demand the attention of the learned, are yet admirably adapted to the popular understanding, and designed as much to diffuse correct information concerning current scientific discovery as it could be if this were the organ of the "Society for the Diffusion of Useful Knowledge." The great design of HARPER'S is to give correct information and rational amusement to the great masses of the people. There are few intelligent American families in which HARPER'S MAGAZINE would not be an appreciated and highly-welcome guest. There is no monthly Magazine an intelligent reading family can less afford to be without. Many Magazines are accumulative HARPER'S is edited. There is not a magazine that is printed which shows more intelligent pains in its articles and mechanical execution. There is not a cheaper Magazine published. There is not, confessedly, a more popular Magazine in the world.

It is one of the wonders of journalism—the editorial management of HARPER'S.—The Nation.
