

PROSPECTUS OF THE LOUISIANIAN.

In the endeavor to establish another Republican journal in New Orleans, the proprietors of the LOUISIANIAN, propose to fill a necessity which has been long, and sometimes painfully—felt to exist.

As our motto indicates, the LOUISIANIAN shall be "Republican at all times and under all circumstances" We shall advocate the security and enjoyment of broad civil liberty, the absolute equality of all men before the law, and an impartial distribution of honor and patronage to all who merit them.

Desirous of allaying animosities, of obliterating the memory of the bitter past, of promoting harmony and union among all classes and between all interests, we shall advocate the removal of all political disabilities, foster kindness and forbearance, where malignity and resentment reigned, and seek for fairness and justice where wrong and oppression prevailed.

Believing that there can be no true liberty without the supremacy of law, we shall urge a strict and undiscriminating administration of justice.

TAXATION. We shall support the doctrine of an equitable division of taxation among all classes, a faithful collection of the revenues, economy in the expenditures, conformably with the exigencies of the State or Country and the discharge of every legitimate obligation.

EDUCATION. We shall sustain the carrying out of the provisions of the act establishing our common school system, and urge as a paramount duty the education of our youth, as vitally connected with their own enlightenment, and the security and stability of a Republican Government.

FINAL. By a generous, manly, independent, and judicious conduct, we shall strive to rescue our paper, from an ephemeral, and temporary existence, and establish it upon a basis, that if we cannot "command," we shall at all events "deserve" success.

WALTHAM WATCHES. THE BALANCE WHEEL OF A WALTHAM WATCH BEATS 4 times a second, 240 times a minute, 14,400 times an hour, 345,600 times a day, 292,00 times a week, 19,368,000 times a month, 126,144,000 times a year. MORE IS EXPECTED OF A WATCH, THAN ANY OTHER KIND OF MACHERY.

It must not only run all day, but all night; not only on weekdays, but on Sundays and Holidays. It must run hanging up or lying down—upside down or right side up. It must keep running when the wearer sits down or stand up. When he walks or rides. In fact, it is expected to do its duty at all times, in every place and in every position. A Genuine Waltham Watch will fulfil all these requirements. I would once a day, it will faithfully tick for you a hundred and twenty-six million times in a year, without even requiring fresh oil all that time.

A Genuine Waltham Watch will fulfil all these requirements. I would once a day, it will faithfully tick for you a hundred and twenty-six million times in a year, without even requiring fresh oil all that time.

Every part of a Waltham Watch is made by machinery. The machinery used in making the movement of a single watch cost over a Hundred Thousand Dollars, yet we sell these Watches, in a solid Silver Hunting Case, for \$18. The same watch could not be made by hand and finished as perfectly for TEN TIMES AS MUCH.

A Genuine Waltham Watch is interchangeable, like a Springfield rifle that is, any part of one Watch is exactly like the same part in another; and if ten Watches of one grade were taken apart, and the screws, wheels, springs, &c., were mixed together, ten watches could be made by putting these parts together again, without any reference to their former combination. This is a GREAT ADVANTAGE; For, if any part of a Waltham Watch is injured we can always replace it at a trifling Expense.

A GENUINE WALTHAM WATCH Is made with special reference to DURABILITY Other Watches will run for a year or two, an require constant repairs; but A Waltham Watch WILL RUN FAITHFULLY FOR MANY YEARS. We sell these Watches, IN SOLID SILVER HUNTING CASES... \$18 IN SOLID GOLD HUNTING CASES, \$70

We have prepared an ILLUSTRATED PRICE LIST, which describes the various grades of Watches in detail, gives the weight and quality of the Cases, and all other information necessary for an intelligent selection. We wish every one would send for it before ordering a Watch. Write for it as follows: Messrs. Howard & Co., No. 785 Broadway, New York: Please send me your Illustrated Price List of Waltham Watches, as per advertisement in THE LOUISIANIAN. (Sign name and address in full) WITHOUT EXPENSE, OR Refund the Money. We have sent out over Five Thousand of these Watches upon these conditions, and have only been asked to refund the money in three cases, and not one of these was on account of dissatisfaction with the Watch, but because the parties needed the money more.

WE HAVE NO AGENTS, AND OUR PRICES ARE THE SAME TO ALL. A RESIDENT OF OREGON OR TEXAS CAN BUY A WATCH FROM US AND IT WILL COST HIM NO MORE THAN IF HE LIVED IN NEW YORK. ALL THIS IS EXPAINED IN THE PRICE LIST. SPECIAL NOTICE. WE DO NOT SELL Waltham Watches in any imitation, Gilt, Plated, Oride, Filled Cases whatever (these are all other names for Brass or German Silver). The Waltham Watch is worthy of a solid Gold or Silver Case, and we do not propose to sell it in any other. LET EVERY ONE SEND FOR A PRICE LIST. ADDRESS IN FULL, HOWARD & Co. Jewelers and Silversmiths, No. 785 BROADWAY, NEW YORK.
