That cough, slight fever and weakness, shortness of breath, palpitation of heart, my means sure and quick consumption.

If you are nervous, restless, irritable, sleepless or wake after twelve dreams, tired mornings, with a dull headache, bad taste in the mouth, sometimes discharges, and so about your employment without life, energy or ambition, desire to be alone, gloomy forebodings, a disposition to worry and fret about trouble ahead that never comes, spells of feeling afraid or uncertain, sometimes low spirits, you are suffering from nervous debility and exhaustion of nerve power, which may end in utter prostration, insanity and death.

If you have a great sense of weakness and weariness, with tired limbs, numbness, trembling, prickly sensations, cold feet and legs, you are advancing to that most serious disease—Paralysis. If your head aches, feel numb and tired, with strange sensations, loss of memory, and you think with difficulty or you are sleepless at night, with drowsiness and dullness during the day, the nerve and brain fatigue may soon run into insanity or death.

If you have any of these feelings do not neglect them, or they will end in paralysis, insanity, prostration or death.

As you value your life do not neglect these warnings. Time and experience has shown, and hundreds of startling and marvellous cures have proved, that these diseases are perfectly and completely cured by Dr. S. CLAY TODD, 16 N. Division street, rooms 1, 3 and 4, Grand Rapids, Mich.

Under the remark of DR. S. CLAY TODD'S remarkable remedies all those symptoms yield as if by magic, and strength of nerves, vigor of brain, vitality of blood and health of body are soon restored.

His remedies are purely vegetable and harmless, and can only be obtained at his office.

Dr. TODD compounds his prescriptions before each patient in his office.

Dr. TODD'S office is at 16 N. Division street, rooms 1, 3 and 4, Grand Rapids, Mich. His patients agree with the remark, and you can eat anything you choose.

He is in his office from 9 in the morning until 7 in the evening every day but Sundays. Call everybody. A friendly talk will cost you nothing. Low charges. Rapid cures.

TERRIBLE BACKACHE

CURED.

I had a terrible steady backache, for four years without any let up at all, sometimes I could hardly walk, and I was in a great deal of agony on account of the greater pain from the top of the back, and have walked rather than sit. I have never since had any more of this kind of pain. I was cured by the treatment of Dr. S. CLAY TODD, 16 N. Division street, Grand Rapids, Mich. Ten days, and yesterday I was able to sit and sleep and walk in a wagon without pain at all—the first time for four years. I would cheerfully recommend Dr. S. CLAY TODD'S treatment to every one who has a steady backache. AVERY DOWNER, October 24, 1891. Atlantic, Mich.
