What is going on in the city today?

What is going on at Morse's today?

Have you seen our Furniture Department yet? Maybe you have seen the part of it; that's on the second floor, but really that is only a starter.

Up on the third floor we have the LARGEST FURNITURE DISPLAY ROOM in the state, and it's piled full or bargains, too.

This is as good a time as any to mention those Rockers we have been picking up all summer for the holiday trade.

There are a thousand of them, and prices are almost ridiculously low. Fact is, we are the LARGEST FURNITURE BUYERS in the city, and we pay spot cash, no lot too large for us.

Why shouldn't we sell cheap? Every few weeks some manufacturer gets into a tight place and we buy up everything he has on hand for a song.

It's the spot cash that tempts him and we are able to offer many of these goods for less than the cost of manufacture.

1,000 Rockers \$1.00 to \$10, suitable for holiday trade. 500 Counter Tables \$5 to \$19. Manufactured in the country at a great discount. 200 Sideboards \$9.50 to \$45.00.

All our furniture is marked in plain figures, and a child can buy it. Look it over. We lay aside any article on which a payment is made.
