NOT TEMPORARY BUT PERMANENT CURES

Some Plain Statements that Deserve and Should Receive the Consideration of the Sick of This Community.

The permanency of the cures effected by Drs. Copeland and Graham are daily demonstrated by former patients coming to them and saying, doctor, I have been treated so often for catarrh, and only relieved for a time, that I had concluded catarrh could only be relieved and not cured.

The difference between the "temporary cures" and the cures wrought by the Copeland method is well illustrated by the case of Mr. T. J. Haynes, who resides at 237 Broadway, and is a gentleman well known in this city.

"I had been treated for catarrh many times by many different doctors, and was thoroughly convinced that catarrh could be relieved for a short time and would return. I am glad to say I am finally convinced that catarrh can be cured, and that Drs. Copeland and Graham can cure catarrh permanently."

"I went to Drs. Copeland and Graham because I had known several who were cured there. I was troubled with intense headache, both in front and back, dizziness, and my head felt full and dull in the morning. I had noise in my ears, and my nose troubled me a great deal, filling up, discharging and was sore. My throat was in bad condition. A constant dropping gave rise to a hacking and soreness that caused me an endless misery and trouble. When I caught cold my throat and tubes felt raw all the way down. My appetite was poor, my tongue was coated and I had a bad taste in my mouth in the morning. My nights were restless, and I felt dull and unrefreshed after sleep. In fact, I felt completely used up."

Our system of small treatment by means of syringe, blank and corresponding is as perfect and effective as our office work. The charge for the same—\$4 a month covers everything, including medicines. Write for syringe blank to Drs. Copeland and Graham, 192 East Fulton street, Grand Rapids, Mich.

Specialties: Catarrh, Asthma, Bronchitis, Nervous Diseases, Head Diseases, Rheumatism, Constipation and all chronic affections of the Throat, Lungs, Stomach, Liver and Kidneys. Office Hours—9 to 11 a. m., 2 to 3 p. m., 7 to 9:30 p. m. Sunday, 10 to 12 a. m.
