ENGLAND'S CRISIS.

Great Britain is unexpectedly shocked and shaken by the result of the vote on the home rule bill in the house of lords.

Mr. Gladstone has always been a lucky man and his good fortune does not desert him in his old age.

Dr. Hamilton, secretary of the Freeman's aid bureau of the Methodist church, is authority for the statement that a negro has been murdered for every day in the year, including Sundays and holidays.

Go to church this morning. Various eloquent members of the Methodist conference will speak from different platforms.

Grand Rapids furniture companies have stood the hard times splendidly—much better than the manufacturing concerns of other cities.

None of the silver state senators have as yet suggested the propriety of presenting the latest heir to our royal family with a silver statue.

ANOTHER GIRL.

Mrs. Cleveland is the mother of another baby girl. Such is the news told by the wires this morning.

Our Maccabee friends will be excellently entertained this week, as far as it lies within the power of the local theaters.

Discussions regarding the condition of Mr. Cleveland's health will hereafter be transferred to that of the president's youngest daughter.

HE DESERVES A MEDAL.

Bravery of a Fireman Probably Saved Several Lives. Fred J. Hillsborough, a pipefitter of No. 4 engine house, risked his own life yesterday afternoon and saved several lives.

Lovers of good sermons will have an opportunity to gratify their inclinations by going to Lockery hall at 11:30 o'clock this morning.

TRUE TO THEIR TRUST.

Like the stage coach and the frontier, the district rider has been relegated to the domain of romance and tradition.

Hard times have not affected the wages of a poor woman who shot herself Friday night in Chicago testified with her blood.

READY FOR THE REVIEW.

The City Has Assumed a Gaiety Appearance for Maccabees. The Maccabee general committee has everything in readiness to receive the delegates to the great camp review which begins Tuesday morning.

Britain's house of lords is nearly as capable and busy as our own upper house.

Bay Egan's cattle box and bedding ring are said to be perfect for No. 2.

Several Indians are among the delegates to the Methodist conference.

Chairman Felker of the last year's committee on teachers made a report, making the following appointments: That Miss Grace Aldrich take the place of Miss Shaffer in the Jefferson avenue school; also that Florence Rose be appointed to the vacancy in Widdicombe street school.

The committee on schools recommended that the law be complied with in regard to the teaching of temperance physiology, and that oral instruction be given the 32 grade.

FLEET FILLY WON IT

Director's Flower Captured Two-Year-Old Stake Easily. RECORD LOWERED TO 2:20.

Three-Year-Old Stake Won by Cytheria—Events Scheduled for the Coming Week.

CHICAGO, Sept. 9.—Six heats were trotted in the 2:20 class at Washington park today, and the race was not finished. Two heats and a dead heat went to the credit of Marvyn's boy gelding Answer, and Ketchum's chestnut mare Katie Earl, and one heat was won by Budd Doble's filly Image. In point of close finishes it was the best race of the meeting. Answer was favorite at \$25 to \$50 for the field, after the first heat. Katie Earl surprised the talent by her remarkable speed in the last heat, finishing even with Answer when the latter's victory seemed certain. In the fourth heat Answer beat her only a few inches. Elard, in great favor before the race, captured the second heat in slow time. In this heat Brigol Wilkes ran away and interfered with the finish. He had been heavily backed, but was drawn. Barney won the 2:20 class pacing after S. A. Brown's famous Michigan horse, Vassar had taken the first heat. Barney went the fastest mile of the day when he traveled the circuit in 2:23. It was \$85 to \$25 against Barney. Director's Flower won her second race of the week by placing the 2-year-old event to her credit, and she also lowered her record to 2:20. She was a hot favorite, and won easily in two straight heats. Cytheria captured the 2:40 class for 3-year-olds. Budd Doble's filly Image was played even against the field, but went lame in the first heat and was withdrawn.

Nancy Hanks will start against her 2:04 record next Wednesday, and Director will start against the watch on Friday. On Tuesday the Spirit of the Time, \$10,000 purse for 4-year-olds will be trotted, and the Columbian Exposition stakes for free for trotters, purse \$15,000 will be decided on Thursday.
