Deafness Cannot be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it causes a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. For sale by C. A. Jack, Druggist.

**Pains in the Back Cured.**  
A. B. Farrington, Constantia, N. Y., writes: I was troubled several years with kidney disease and suffered severe pains in the back. I used Foley's Kidney Cure and one bottle cured me. I recommended it to my friends it has given perfect satisfaction. Sold by C. A. Jack.  
If you have urinary trouble or pain in the back, indicating kidney disorders, if there be a general loss of energy, we ask you in all fairness to use Dr. Sawyer's Ukatine. Thousands bear evidence to the fact that it cures. For sale by F. G. Danielson, Druggist.
