His many friends will regret to learn of this but all will unite in wishing him a full measure of success in his new field.

About a score of the local Oddfellows went to Spencer Brook last Monday evening, where they were very hospitably entertained by their brethren who live in that vicinity. A meeting was held at the Methodist church, after which a bountiful repast was served. About \$300 in subscriptions was added to the building fund of the society on the trip.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address
