Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Positively guaranteed for coughs, colds and all throat and lung troubles by C. A. Jack. Price 50c.

We are all rejoicing on hearing the news of a railroad, but some are seen to smile and shake their heads, for so many have been talked of and none seen.

"Have you any doubts remaining?" said Mrs. Jones. "No, Marind, I have not. I took Rocky Mountain Tea last night." "Twill remove any impure thoughts in the human family." 35c. C. A. JACK.

## ANOTHER BIG SALE.

Mark's May Sale Will Be Bigger and Better Than Any of Its Predecessors.

While the last sale of the E. Mark Live Stock company was one of the biggest ever held in this village, the management is sanguine that the May sale will eclipse anything of the kind ever held in Princeton.

There will be horses of every kind, weight and color, ready to do any work you have for horse flesh, from drawing your carriage to pulling the plow; milch cows, mules, wagons, buggies, farm machinery, household goods, anything and everything that you may need. The sale will occur on Saturday May 4, rain or shine, and the same easy terms, as heretofore, will govern all sales. Don't miss this opportunity to get just what you want at your own price and on your own terms.

## A Brave Girl.

Three girls running a ranch on the plains of Western Texas recently had an unusual lion hunt. One evening the oldest girl started, unarmed, to ride the rounds before supper. While passing a clump of bushes on the creek she saw a large mountain lion bound out and fell a young calf to the ground. Angered by the calf's helplessness, and not fully realizing her own danger, the girl threw her lasso at the animal and caught him by the neck. The horse started to run and jerked the lion over backwards. She raced all the way to the house, the lion only hitting the high spots and choked nearly to death. When she reached the yard she drew rein, thinking the lion dead, but he picked himself up and prepared to spring. One of her sisters fired, killing the lion just in the nick of time. The excitement over, the nervy girl fainted. You can build up your nerve by right living, and particularly with the aid of "Golden Grain Belt" beer. It is a wonderful tonic brewed from pure barley malt and hops. Order from your nearest dealer or you can be supplied by Henry Veidt, Princeton, Minn.

Lands owned by the Great Northern Railway Co., in Sherburne, Anoka and Isanti counties, advanced \$1.00 per acre April 15th. The great demand throughout the State and the large sales that have been made the last year, demanded the raise of these lands in order to keep pace with other parts of the State. It will only be a short time when all the vacant lands between here and the cities will be occupied by industrious farmers. The nearness to market and the fertility of the soil for raising all kinds of garden truck, should soon double the price the lands are now bringing.

Two cases of surgery were performed in Princeton Monday evening by Dr. Aldrich, who is a specialist on diseases of the throat, ear, eye and nose. Both were for the removal of obstructions in the nose and throat and in each instance the operation was successful and the patients are recovering nicely. Dr. Cooney assisted.

Rev. Fr. Levings returned to Princeton Tuesday evening from a visit to St. Cloud. Father Levings' duties in this parish keep him on the road the greater part of the time.

Fred Goss, of Anoka, is in the village suffering from an attack of pleurisy. Dr. Tarbox performed an operation upon him Tuesday morning and he is progressing nicely.

Everybody come to the ice cream social to be given by the C. E. Society in the G. A. R. hall on Tuesday evening April 30. Ice cream and cake 10c.

The ladies of the Maccabees will give a "May party" May 1 for the children of the Knights and Ladies of the Maccabees. A pleasant time is anticipated.
